Abstract of proposed collection: The DS-11 solicits data necessary for Passport Services to issue a United States passport (book and/or card format) pursuant to authorities granted to the Secretary of State by 22 U.S.C. 211a *et seq.* and Executive Order (E.O.) 11295 (August 5, 1966) for the issuance of passports to U.S. nationals.

The issuance of U.S. passports requires the determination of identity, nationality, and entitlement with reference to the provisions of Title III of the Immigration and Nationality Act (INA) (8 U.S.C. 1401-1504), the 14th

¹⁰ 17 CFR 200.30-3(a)(12).

Amendment to the Constitution of the United States, other applicable treaties and laws, and implementing regulations at 22 CFR parts 50 and 51. The specific regulations pertaining to the Application for a U.S. Passport are at 22 CFR 51.20 through 51.28.

Methodology: The information collected on the DS-11 is used to facilitate the issuance of passports to U.S. citizens and nationals. The primary purpose of soliciting the information is to establish citizenship, identity, and entitlement to the issuance of the U.S. passport or related service, and to properly administer and enforce the laws pertaining to the issuance thereof.

Passport Services collects information from U.S. citizens and non-citizen nationals when they complete and submit the Application for a U.S. Passport. Passport applicants can either download the DS-11 from the internet or obtain one from an Acceptance Facility/Passport Agency. The form must be completed and executed at an acceptance facility or passport agency, and submitted with evidence of citizenship and identity.

Additional Information: The proposed renewal of the DS-11 includes an advisory on the instruction that lawful permanent resident cards (green cards) that are submitted with Form DS-11 will be forwarded to U.S. Citizen and Immigration Services if the applicant is found to be a U.S. citizen. This advisory is consistent with an arrangement between the Department of State and the Department of Homeland Security, as green cards are property of the Department of Homeland Security.

The proposed renewal of Form DS-11 also includes new instruction to applicants requiring submission of a photocopy of the applicant's evidence of U.S. citizenship, in addition to the official or certified copy that is currently required. The official or certified copy will continue to be used to determine whether the applicant has a valid claim to U.S. citizenship. The photocopy will be retained by the Department so that the Department has a complete and accurate record of what the applicant submitted with his or her U.S. passport application. Currently, evidence of U.S. citizenship is only annotated on the application, and a certified copy is generally not retained. The Department considered different alternatives to having the applicant submit a photocopy in addition to the official or certified copy; however, none of these alternatives were logistically feasible or cost effective. Based on a resource analysis study, the additional costs for labor, equipment, supplies, facility modifications and obtaining additional

space makes it not feasible for the Department to make photocopies of primary citizenship evidence without significantly affecting agency operations and passport processing times. The Department determined that adding the requirement for a photocopy of the applicant's evidence of U.S. citizenship is the only feasible way to create a complete record of the documentation submitted with applications. The Department also believes that retaining copies of applicant's evidence of U.S. citizenship will help the Department develop and deliver online passport applicant services. Applicants currently submit a photocopy of their photo identification.

The Privacy Act statement has been amended to clarify that an applicant's failure to provide his or her Social Security number may result in the denial of an application, consistent with 22 U.S.C 2714a(f) which authorizes the Department to deny U.S. passport applications when the applicant failed to include his or her Social Security number. These requirements and the underlying legal authorities are further described on page 3 of the instruction titled "Federal Tax Law" which has also been amended to include a reference to 22 U.S.C 2714a(f).

Additionally, the proposed renewal of form DS-11 also includes updated instruction regarding the eyeglass policy change, prohibiting applicants from wearing eyeglasses in passport photographs, unless the applicant presents a signed statement from a doctor demonstrating that the glasses must be worn due to medical reasons. The form also states that passport photos may include hats or head coverings only when they are worn continuously as part of recognized, traditional religious attire, or when the hat or head covering is worn for medical purposes as stated by a doctor in a signed statement.

Dated: June 23, 2016.

Brenda S. Sprague,

Deputy Assistant Secretary for Passport Services, Bureau of Consular Affairs, Department of State.

Federal Motor Carrier Safety Administration

[Docket No. FMCSA-2016-0118]

Commercial Driver's License Standards: Missouri Department of Revenue (DOR); Application for Exemption

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Notice of final disposition; grant of application for exemption.

SUMMARY: FMCSA announces its decision to grant the Missouri DOR and all other State driver licensing agencies (SDLAs) a limited exemption from the Agency's commercial driver's license (CDL) regulations. These regulations allow a State to waive the CDL skills test for applicants regularly employed or previously employed within the last 90 days in a military position requiring operation of a commercial motor vehicle (CMV). The exemption extends the 90-day timeline to one year following the driver's separation from military service. The Missouri DOR believed that the 90-day timeframe is too short to take advantage of the waiver for many of the qualified discharged veterans entering and settling into civilian life. A similar exemption was granted to the Commonwealth of Virginia, Department of Motor Vehicles (VA DMV) and all SDLAs on July 8, 2014, effective through July 8, 2016. FMCSA has analyzed the Missouri DOR exemption application and the public comments and has determined that the exemption will achieve a level of safety that is equivalent to, or greater than, the level that would be achieved absent such exemption.

DATES: This exemption is effective July 8, 2016 through July 8, 2018.

SUPPLEMENTARY INFORMATION:

Legal Basis

FMCSA has authority under 49 U.S.C. 31136(e) and 31315 to grant exemptions from the Federal Motor Carrier Safety Regulations. FMCSA must publish a notice of each exemption request in the **Federal Register** (49 CFR 381.315(a)).
