certain stainless steel plate from South  
Africa (64 FR 25288). On May 21, 1999,  
Commerce issued antidumping duty  
orders on imports of certain stainless  
steel plate from Belgium, South Africa,  
and Taiwan (64 FR 27756).<sup>2</sup> On March  
11, 2003, as a result of intervening  
litigation of the Commission's original  
determinations, Commerce amended  
those antidumping and countervailing  
duty orders on imports of certain  
stainless steel plate to remove the  
original language that excluded cold-  
rolled stainless steel plate in coils (68  
FR 11520 and 68 FR 11524). Following  
five-year reviews by Commerce and the  
Commission, effective July 18, 2005,  
Commerce issued a continuation of the  
countervailing duty order on imports of  
stainless steel plate from South Africa  
and the antidumping duty orders on  
imports of stainless steel plate from  
Belgium, South Africa, and Taiwan (70  
FR 41202). Following the second five-  
year reviews by Commerce and the  
Commission, effective August 30, 2011,  
Commerce issued a continuation of the  
countervailing duty order on imports of  
stainless steel plate from South Africa  
and the antidumping duty orders on  
imports of stainless steel plate from  
Belgium, South Africa, and Taiwan (76  
FR 53882). The Commission is now  
conducting third reviews pursuant to  
section 751(c) of the Act, as amended  
(19 U.S.C. 1675(c)), to determine  
whether revocation of the orders would  
be likely to lead to continuation or  
recurrence of material injury to the  
domestic industry within a reasonably  
foreseeable time. Provisions concerning  
the conduct of this proceeding may be  
found in the Commission's Rules of  
Practice and Procedure at 19 CFR parts  
201, Subparts A and B and 19 CFR part  
207, subparts A and F. The Commission  
will assess the adequacy of interested  
party responses to this notice of  
institution to determine whether to  
conduct full or expedited reviews. The  
Commission's determinations in any  
expedited reviews will be based on the  
facts available, which may include

<sup>2</sup> Commerce revoked the antidumping duty order  
regarding stainless steel plate from Korea as a result  
of proceedings before the World Trade  
Organization. 76 FR 74771 (December 1, 2011)  
(implementing determination under Section 129 of  
the Uruguay Round Agreements Act regarding  
stainless steel plate in coils from Korea). Commerce  
had already revoked the antidumping duty order on  
stainless steel plate from Italy after the Commission  
reached a negative determination in its second five-  
year review of that order. 76 FR 54207 (August 31,  
2011). Commerce also had previously revoked an  
antidumping duty order on stainless steel plate  
from Canada after the Commission reached a  
negative determination in its first five-year review  
of that order. 70 FR 41207 (July 18, 2005).
