Those wishing to object to the draft ROD should not rely upon dates or timeframe information provided by any other source.

Any objection must be submitted to the Alaska Regional Forester, Beth Pendleton, who is the Objection Reviewing Officer, at one of the addresses listed in the **ADDRESSES** section below.

The objection process provides an opportunity for members of the public who have participated in the planning process for the forest plan amendment to have any unresolved concerns reviewed by the Forest Service prior to a final decision by the Responsible Official. Under 36 CFR 219.53(a), objections will be accepted only from those individuals or organizations who have previously submitted substantive formal comments related to this amendment of the Tongass Forest Plan during the opportunities for public comment provided for this amendment. Objections must be based on previously submitted substantive comments attributed to the objector, unless the objection concerns an issue that arose after the opportunities for public comment. (36 CFR 219.53(a)). In addition, objections must meet the content requirements of 36 CFR 219.54(c), which can be found in **SUPPLEMENTARY INFORMATION**.

All objections are open to public inspection and will be published in the newspapers of record and posted to the Forest Service Web site (<http://www.fs.usda.gov/goto/R10/Tongass/PlanAmend>).

The regulations prohibit extending the length of the objection filing period.

6. A statement that shows the link between the objector's prior substantive formal comments and the content of the objection, unless the objection concerns an issue that arose after the opportunities for formal comment.

Attach documents referenced in the objection except as noted at 36 CFR 219.54(b).

The objector is responsible for ensuring the timely filing of written objections. Timeliness will be determined as indicated in 36 CFR 219.56(c).

The Reviewing Officer will provide written acknowledgement of receipt of the objection, if requested by the objector.
