**ADDRESSES:** Comments may be mailed to John A. Trelease, Office of Surface Mining Reclamation and Enforcement, 1951 Constitution Ave NW., Room 203—SIB, Washington, DC 20240. Comments may also be submitted electronically to [jtrelease@osmre.gov](mailto:jtrelease@osmre.gov).

**FOR FURTHER INFORMATION CONTACT:** To receive a copy of the information collection request contact John Trelease, at (202) 208-2783 or by email at [jtrelease@osmre.gov](mailto:jtrelease@osmre.gov).

**SUPPLEMENTARY INFORMATION:** Office of Management and Budget (OMB) regulations at 5 CFR part 1320, which implement provisions of the Paperwork Reduction Act of 1995 (Pub. L. 104-13), require that interested members of the public and affected agencies have an opportunity to comment on information collection and recordkeeping activities [see 5 CFR 1320.8 (d)]. This notice identifies an information collection that OSMRE will be submitting to OMB for extension. This collection is contained in 30 CFR part 822.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this collection of information is 1029-0049 and is displayed at 30 CFR 822.10.

OSMRE has revised burden estimates, where appropriate, to reflect current reporting levels or adjustments based on reestimates of burden or respondents. OSMRE will request a 3-year term of approval for this information collection activity.

Comments are invited on: (1) The need for the collection of information for the performance of the functions of the agency; (2) the accuracy of the agency's burden estimates; (3) ways to enhance the quality, utility and clarity of the information collections; and (4) ways to minimize the information collection burden on respondents, such as use of automated means of collection of the information. A summary of the public comments will accompany OSMRE's submissions of the information collection request to OMB.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment, including your personal identifying information, may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we

cannot guarantee that we will be able to do so.

This notice provides the public with 60 days in which to comment on the following information collection activity:

*Title:* 30 CFR part 822—Special Permanent Program Performance Standards—Operations in Alluvial Valley Floors.

*OMB Control Number:* 1029-0049.

*Summary:* Sections 510(b)(5) and 515(b)(10)(F) of the Surface Coal Mining and Reclamation Act of 1977 (the Act) protect alluvial valley floors from the adverse effects of surface coal mining operations west of the 100th meridian. Part 822 requires the permittee to install, maintain, and operate a monitoring system in order to provide specific protection for alluvial valley floors. This information is necessary to determine whether the unique hydrologic conditions of alluvial valley floors are protected according to the Act.

*Bureau Form Number:* None.

*Frequency of Collection:* Annually.

*Description of Respondents:* 25 coal mining operators who operate on alluvial valley floors and 4 State regulatory authorities.

*Total Annual Responses:* 50.

*Total Annual Burden Hours:* 2,750.

*Total Annual Non-wage Costs:* \$0.

Dated: June 30, 2016.
