

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE**Proposed Information Collection; Comment Request**

AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (CNCS), as part of its continuing effort to reduce paperwork and respondent burden, conducts a pre-clearance consultation program to provide the general public and federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. Sec. 3506(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, CNCS is soliciting comments concerning its proposed renewal of application instructions for Martin Luther King Jr. Day of Service (MLK Day) and September 11th Day of Service and Remembrance (September 11).

Brief description: Applicants for MLK Day and September 11 will submit an application following the application instructions. Applicants may apply for MLK Day, September 11, or both. The application is required to be considered for grant funding support from MLK Day or September 11.

Background

Applicants use these application instructions to submit their application for the competitive funding available to hold service events on either MLK Day or September 11 or both. The application information is collected electronically through the CNCS eGrants system.

Current Action

This is a new information collection request. Previously the application instructions were separate for both MLK Day and September 11. This new information collection combines the approved specific instructions for MLK Day and the instructions for September 11, which used the approved generic CNCS application instructions. In the future, there will be one "Days of Service" competition for both of these grants.

The information collection will otherwise be used in the same manner as the existing application. CNCS also seeks to continue using the current application until the revised application is approved by OMB. The current application for MLK Day is due to expire on 03/31/2017. The current

generic application for September 11 is due to expire on 01/31/2018.
