DEPARTMENT OF VETERANS AFFAIRS

38 CFR Part 17

RIN 2900-AP42

Prescriptions in Alaska and U.S. Territories and Possessions

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: The Department of Veterans Affairs (VA) is removing its medical regulation that governs medications provided in Alaska and territories and possessions of the United States because this regulation is otherwise subsumed by another VA medical regulation related to provision of medications that are prescribed by non-VA providers.

DATES: This final rule is effective August 17, 2016.

FOR FURTHER INFORMATION CONTACT:

Kristin J. Cunningham, Director, Business Policy, Chief Business Office (10D), Veterans Health Administration, Department of Veterans Affairs, 810 Vermont Ave. NW., Washington, DC 20420; (202) 382-2508. (This is not a toll-free number.)

SUPPLEMENTARY INFORMATION: In a document published in the **Federal Register** on February 8, 2016 (81 FR 6479), VA proposed to amend part 17 of 38 CFR by amending the regulations that govern medication provided in Alaska and territories and possessions of the United States. We provided a 60-day comment period, which ended on April 8, 2016. We received no comments on the proposed rule. Under section 1712(d) of title 38 United States Code (U.S.C.), VA must furnish medications to veterans who receive increased compensation or pension benefits by reason of being permanently housebound or in need of regular aid and attendance, if such medications are prescribed for the treatment of any injury or illness suffered by such veteran. VA originally promulgated two regulations on October 4, 1967, to implement section 1712(d), in title 38 Code of Federal Regulations (CFR) 17.60d and 17.60e. See 32 FR 13816. Section 1712(d) does not require these certain veterans to be receiving VA hospital care or medical services as a condition of receiving medications from VA and § 17.60d provided that VA pharmacies would fill prescriptions for these veterans when they were receiving care from a non-VA provider to treat any of the veteran's illnesses or injuries. See 32 FR 13816 (October 4, 1967). Section 17.60e, in turn, addressed geographic areas that, at the time, did not have VA pharmacies—§ 17.60e provided that in those areas without VA pharmacies, VA may reimburse the cost of prescriptions that otherwise would have been filled under § 17.60d. See 32 CFR 13816 (October 4, 1967).

Sections 17.60d and 17.60e were renumbered as §§ 17.96 and 17.97, respectively, and relate to the same cohort of veterans for whom VA is authorized to provide prescription medication under section 1712(d). Because the same cohort of veterans is at issue in §§ 17.96 and 17.97, and because § 17.96 already provides for the filling of prescriptions in non-VA pharmacies, a separate § 17.97 to address prescriptions in non-VA pharmacies (pharmacies in areas without VA pharmacies) is no longer necessary. We are, therefore, removing § 17.97 and marking it as reserved for future use, and are also revising § 17.96 to clarify that any non-VA pharmacy under contract with VA may be used, not just those non-VA pharmacies in a state home under contract with VA for filling prescriptions for patients in state homes.

We are making one edit to the proposed revision of the introductory paragraph in § 17.96 for grammatical
