#### Background

On December 31, 2015, USCIS published a Notice of Proposed Rulemaking (NPRM) in the **Federal Register** at 80 FR 81900 proposing to amend its regulations related to certain employment-based immigrant and nonimmigrant visa programs. The NPRM allowed for a 60-day public comment period on proposed amendments and 27,979 commenters responded. As part of the proposed regulatory amendments, USCIS proposed several revisions to Form I–129, Petition for Nonimmigrant Worker. USCIS invited the public to submit comments regarding proposed revisions to Form I–129 as part of the NPRM's 60-day public comment period in accordance to 5 CFR 1320.11. USCIS is currently reviewing those public comments in consideration of how to address and/or revise its proposed amendments.

Under 5 CFR 1320.5(a), USCIS is required to evaluate comments received under § 1320.11. In addition, 5 CFR 1320.5(b) requires USCIS to ensure that Form I–129 displays a currently valid OMB control number. As USCIS continues its careful review and evaluation of the public comments received from 27,979 commenters, USCIS must ensure that Form I–129 continues to display a currently valid OMB control number. Currently, Form I–129 is set to expire on October 31, 2016. To ensure Form I–129 retains a valid OMB control number during review and evaluation of the public comments received from 27,979 commenters, USCIS must implement an Extension, Without Change, of a Currently Approved Collection.
