Authority: 44 U.S.C. 3507(a)(1)(D).

SUPPLEMENTARY INFORMATION: This ICR seeks approval under the PRA for revisions to the Claim for Reimbursement-Assisted Reemployment information collection. The Federal Employees' Compensation Act (FECA), in relevant part, provides vocational rehabilitation services to eligible injured Federal employees to facilitate their return to work. *See* 5 U.S.C 8104(a). The cost of providing these vocational rehabilitation services is paid from the Federal Employees' Compensation Fund, and annual appropriations language provides the OWCP with legal authority to use amounts from the Fund to reimburse private sector employers for a portion of the salary of reemployed disabled Federal workers hired through the OWCP Assisted Reemployment Program. Employers submit Form CA-2231 to claim reimbursement for wages paid under the Assisted Reemployment Program. This information collection has been classified as a revision, because of an enhanced certification statement, the addition of a line for the supervisor's printed name, and enhanced Privacy Act and reasonable accommodations statements. FECA sections 8121 and 8149 authorize this information collection. *See* 5 U.S.C. 8121 and 8149.

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. *See* 5 CFR 1320.5(a) and 1320.6. The DOL obtains OMB approval for this information collection under Control Number 1240-0018. The current approval is scheduled to expire on July 31, 2016; however, the DOL notes that existing information collection requirements submitted to the OMB receive a month-to-month extension while they undergo review. New requirements would only take effect
