

hazardous substances have been stored for 1 year or more, nor had any hazardous substances been disposed of or released on the subject property.

No warranty of any kind, express or implied, is given by the United States as to the title, whether or to what extent the land may be developed, its physical condition, future uses, or any other circumstance or condition. The conveyance of a parcel will not be on a contingency basis. However, to the extent required by law, the parcel is subject to the requirements of section 120(h) of the CERCLA.

Unless the BLM authorized officer approved other satisfactory arrangements in advance, conveyance of title will be through escrow. Designation of the escrow agent will be through mutual agreement between the BLM and the prospective patentee, and costs of escrow will be borne by the prospective patentee.

The BLM-LVFO must receive the request for escrow instructions prior to 30 days before the prospective patentee has scheduled closing date. There are no exceptions.

All name changes and supporting documentation must be received at the BLM-LVFO 30 days from the date on the high-bidder letter by 4:30 p.m. Pacific Time. There are no exceptions. To submit a name change, the apparent high bidder must submit the name change in writing on the Certificate of Eligibility form to the BLM-LVFO.

The remainder of the full bid price for the parcel must be received no later than 4:30 p.m. Pacific Time, within 180 days following the day of the sale. Payment must be submitted in the form of a certified check, postal money order, bank draft, cashier's check, or made available by electronic fund transfer made payable in U.S. dollars to the "Department of the Interior—Bureau of Land Management" to the BLM-LVFO. The BLM will not accept personal or company checks.

Arrangements for electronic fund transfer to the BLM for payment of the balance due must be made a minimum of two weeks prior to the payment date. Failure to pay the full bid price prior to the expiration of the 180th day will disqualify the high bidder and cause the entire 20 percent bid deposit to be forfeited to the BLM. Forfeiture of the 20 percent bid deposit is in accordance with 43 CFR 2711.3-1(d). No exceptions will be made. The BLM cannot accept the remainder of the bid price after the 180th day of the sale date.

The BLM will not sign any documents related to 1031 Exchange transactions. The timing for completion of such an exchange is the bidder's responsibility.

The BLM cannot be a party to any 1031 Exchange.

In accordance with 43 CFR 2711.3-1(f), within 30 days the BLM may accept or reject any or all offers to purchase, or withdraw any parcel of land or interest therein from sale if the BLM authorized officer determines consummation of the sale would be inconsistent with any law, or for other reasons as may be provided by applicable law or regulations. No contractual or other rights against the United States may accrue until the BLM officially accepts the offer to purchase and the full bid price is paid.

Upon publication of this Notice and until completion of this sale, the BLM will no longer accept land use applications affecting the parcel identified for sale. The parcel may be subject to land use applications received prior to publication of this Notice if processing the application would have no adverse effect on the marketability of title, or the FMV of the parcel. Information concerning the sale, encumbrances of record, appraisals, reservations, procedures and conditions, CERCLA, and other environmental documents that may appear in the BLM public files for the proposed sale parcels are available for review during business hours, 8 a.m. to 4:30 p.m. Pacific Time, Monday through Friday, at the BLM-LVFO, except during Federal holidays.

In order to determine the FMV through appraisal, certain extraordinary assumptions and hypothetical conditions may have been made concerning the attributes and limitations of the lands and potential effects of local regulations and policies on potential future land uses. Through publication of this Notice, the BLM advises that these assumptions may not be endorsed or approved by units of local government.

It is the buyer's responsibility to be aware of all applicable Federal, State, and local government laws, regulations and policies that may affect the subject lands, including any required dedication of lands for public uses. It is also the buyer's responsibility to be aware of existing or prospective uses of nearby properties. When conveyed out of federal ownership, the lands will be subject to any applicable laws, regulations, and policies of the applicable local government for proposed future uses. It is the responsibility of the purchaser to be aware through due diligence of those laws, regulations, and policies, and to seek any required local approvals for future uses. Buyers should make themselves aware of any Federal or State law or regulation that may affect

the future use of the property. Any land lacking access from a public road or highway will be conveyed as such, and future access acquisition will be the responsibility of the buyer.

Any comments regarding the proposed sale will be reviewed by the BLM Nevada State Director or other authorized official of the Department of the Interior, who may sustain, vacate, or modify this realty action in response to such comments. In the absence of any comments, this realty action will become the final determination of the Department of the Interior.

Authority: 43 CFR 2711.1-2.
