

Government in liquidation and return of the financial interest of the Government in the asset, after considering fair market value and other factors; and

(D) Through an appropriate screening or survey process, that there is no interest in acquiring the asset for Government use if the asset is a facility or land.

Federal Interest in Acquiring Land or Facility

This document implements the requirements of 49 U.S.C. Section 5334(h)(1)(D). Accordingly, FTA hereby make certain that the other requirements of the Facility further described below. Any Federal agency interested in acquiring the affected facility should promptly notify the FTA.

If no Federal agency is interested in acquiring the existing Facility, FTA will make certain that the other requirements specified in 49 U.S.C. Section 5334(h)(1)(A) through (C) are met before permitting the asset to be transferred.

The Facility to be transferred is a parking garage with approximately 215 underground and 429 above-ground parking spaces, and includes all equipment used in the control of parking. It was built in 2000. The Facility has six above-ground levels and a basement parking level. It is constructed of precast concrete with a brick and concrete façade. The Facility is situated within a block in downtown South Bend and is connected to two multi-story office buildings and a public plaza. Approximately 11,000 square feet of retail space is located on the ground level of the Facility. However, the multi-story office buildings, retail space, and

public plaza are not owned by Transpo, and are not available for acquisition through this notice. The garage facility and connected buildings are commonly known as Leighton Plaza.

If no Federal agency is interested in acquiring the existing Facility, FTA will make certain that the other requirements specified in 49 U.S.C. Section 5334(h)(1)(A) through (C) are met before permitting the asset to be transferred.

Marisol Simón,

Regional Administrator, FTA Region V.
