AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on December 17, 2015, based on a complaint filed on behalf of Belkin International, Inc. of Playa Vista, California (“Complainant”). 80 *Fed. Reg.* 78763–64 (December 17, 2015). The complaint alleges violations of Section 337 of the Tariff Act of 1930, as

amended, 19 U.S.C. 1337, in the sale for importation, importation, or sale within the United States after importation of certain computer cables, chargers, adapters, peripheral devices and packaging containing the same by reason of infringement of one or more of U.S. Trademark Registration No. 2,339,459; U.S. Trademark Registration No. 2,339,460; U.S. Trademark Registration No. 4,168,379; and U.S. Trademark Registration No. 4,538,212. The Commission’s notice of investigation named the following respondents: Dongguan Pinte Electronic Co., Ltd., of Dongguan City, China; and Dongguan Shijie Fresh Electronic Products Factory, of Dongguan City, China (collectively “Respondents”). The Office of Unfair Import Investigations was named as a party.

On June 6, 2016, Complainant moved to find Respondents in default. The Commission investigative attorney filed a response in support of Complainant’s motion. On June 21, 2016, the ALJ issued Order No. 6 ordering Respondents to show cause why they should not be found in default for failing to file a response to the complaint and notice of investigation.

On July 12, 2016, the ALJ issued the subject ID finding Respondents in default. *See* Order No. 7. No petitions for review of the ID were filed.

The Commission has determined not to review the subject ID.

Section 337(g)(1) and Commission Rule 210.16(c) authorize the Commission to order relief against a respondent found in default, unless, after considering the public interest, it finds that such relief should not issue. Complainant seeks a limited exclusion order and a cease and desist order.

In connection with the final disposition of this investigation, the Commission may: (1) Issue an order that could result in the exclusion of articles manufactured or imported by the defaulting respondent; and/or (2) issue a cease and desist order that could result in the defaulting respondent being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry either are adversely affecting it or likely to do so.
