A. Overview of Information Collection

Title of Information Collection: ConnectHome Baseline Survey Data Collection.

OMB Control Number: 2528-0308.

Form Number: Survey.

Type of Request: Reinstatement.

Description of the need for information and proposed use: The purpose of this effort is to support communities in the 28 ConnectHome sites in administering a baseline survey of targeted residents' current at-home Internet access. The survey administration will include the development of an outreach plan with HUD ConnectHome collaborators and communities; selection of a sample of participants to be surveyed; administration of an initial baseline internet access survey; and submission of a database, codebook, and frequency output tables for collected data; and submission of a summary analysis of the collected data.

The baseline survey will provide HUD with baseline measures of in-home high-speed internet access, barriers to access among those without access, and types of devices used to access the internet. Upon establishing baseline measures, HUD's ConnectHome team will use this information to support local efforts in closing the digital divide

Respondents (describe): The survey is expected to be administered by mail or by Public Housing Authority staff in person or by phone to targeted assisted households at 28 ConnectHome sites. Communities are targeting different populations, which the survey's sampling process will recognize that some communities are targeting only public housing households with children, while others are also targeting voucher holders or residents of HUD multifamily housing in addition or instead.

Estimated Number of Respondents: 2,800.

Estimated Number of Responses: 2,800.

Frequency of Response: One time.

Average Hours per Response: 5 minutes (.0833 hours).

Total Estimated Burdens: 233.24.
