

of a Munitions Storage Area and an access road for the 162 Fighter Wing based at Tucson Air National Guard Base.

Alternative Two—Alternative Airfield Development at Tucson: Extending and upgrading the current general aviation Runway 11R/29L to an air carrier runway, maintaining a 700-foot centerline separation between the current air carrier Runway 11L/29R and the extended and upgraded Runway 11R/29L.

Alternative Three—Use of Other Existing Airports: The possible use of other existing area airports including, but not limited to, Ryan Airfield and Marana Regional Airport will be evaluated.

Alternative Four—Use of Other Modes of Transportation: Use of intercity bus line, rail, and automobile transportation will be evaluated.

Alternative Five—No Action Alternative: Under this alternative, the existing airport would remain unchanged. No land acquisition and transfer between the Tucson International Airport and USAF Plant 44 and no demolition and replacement of ECMs would occur; no new center taxiway would be constructed, and Runway 11R–29L would remain in its current configuration. FAA would not release land between the former East Hughes Access Road and Aerospace Parkway, no new Munitions Storage Area and access road for the 162nd Fighter Wing of the Arizona Air National would be constructed on land between the former East Hughes Access Road and Aerospace Parkway.

Public Scoping and Agency Meetings: To ensure that the full range of issues related to the proposed action is addressed and that all significant issues are identified, comments and suggestions are invited from all interested parties. Public and agency scoping meetings will be conducted to identify any significant issues associated with the proposed action.

A governmental agency scoping meeting for all federal, state, and local regulatory agencies which have jurisdiction by law or have special expertise with respect to any potential environmental impacts associated with the proposed action will be held on Thursday, September 22, 2016. This meeting will take place at 1:00 p.m. Mountain Standard Time, on the first floor of the Tucson Executive Terminal, at the base of the old Airport Traffic Control Tower building with “TUCSON” on the side, 7081 South Plumer Avenue, Tucson, Arizona. A notification letter will be sent in advance of the meeting.

One public scoping meeting for the general public will be held. The public scoping meeting will be held from 6:00 p.m. to 8:00 p.m. Mountain Standard Time on Thursday, September 22, 2016. The public scoping meeting will be conducted on the first floor of the Tucson Executive Terminal at the base of the old Airport Traffic Control Tower building with “TUCSON” on the side, 7081 South Plumer Avenue, Tucson, Arizona. To notify the general public of the scoping process, a legal notice will be placed in newspapers having general circulation in the study area. The newspaper notice will notify the public that scoping meetings will be held to gain their input concerning the proposed action, alternatives to be considered, and impacts to be evaluated.

The FAA is aware that there are Native American tribes with a historical interest in the area. The FAA will interact on a government-to-government basis, in accordance with all executive orders, laws, regulations, and other memoranda. The tribes will also be invited to participate in accordance with NEPA and Section 106 of the National Historic Preservation Act.

Issued in Hawthorne, California August 11, 2016.

Petition for Exemption

Docket No.: FAA–2016–7855.

Petitioner: The Boeing Company.

Section(s) of 14 CFR Affected:

§§ 25.901(c) and 25.1309(b).

Description of Relief Sought: The Boeing Company seeks temporary relief from the requirements of 14 CFR 25.901(c) and 25.1309(b) to allow time necessary to fully develop, certify, and

incorporate a design change to correctly accommodate single failures of the thrust control module which can cause un-commanded high thrust. Boeing intends to correct the design by December 31, 2018, for production 787 Model airplanes, and provide retrofit instructions to the fleet.
