### Administration for Children and Families

#### Proposed Information Collection Activity; Comment Request

**TITLE:** Assessing the Implementation and Cost of High Quality Early Care and

Education: Comparative Multi-Case Study.

**OMB NO.:** New.

**DESCRIPTION:** The Administration for Children and Families (ACF) at the U.S. Department of Health and Human Services (HHS) seeks approval to collect new information to use in developing measures of the implementation and costs of high quality early care and education. This information collection is part of the project, Assessing the Implementation and Cost of High Quality Early Care and Education (ECE-ICHQ). The project's goal is to create a technically sound and feasible instrument that will provide consistent, systematic measures of the implementation and costs of education and care in center-based settings that serve children from birth to age 5. The resulting measures will inform research, policy, and practice by improving understanding of variations in what centers do to support quality, their associated costs, and how resources for ECE may be better aligned with expectations for quality.

The goals of the study are (1) to test and refine a mixed methods approach to identifying the implementation activities and costs of key functions within ECE centers and (2) to produce data for creating measures of implementation and costs. The study is currently collecting data through on-site visits to 24 centers as part of an initial phase of data collection under clearance, #0970-0355. This initial phase is meant to test data collection tools and methods, conduct cognitive interviewing to obtain feedback from respondents about the tools, and reduce and refine the tools for the next phase of data collection.

This request is focused on the next phase of data collection which will include 72 ECE centers in three states. The next phase will rely on remote data collection through electronic data collection tools, telephone interviews, and web-based surveys.

**RESPONDENTS:** ECE site administrators or center directors, program directors, education specialists, financial managers or accountants, teachers, and aides.
