

1976 (5 U.S.C. 552b, as amended), and 41 CFR 102–3.150.

Purpose of the Meeting: The purpose of the meeting is to provide the subcommittee with an overview of the U.S. Army War College Academic Campaign Plan and the annual year 17 curriculum, discuss Middle States and JPME II accreditation matters, and address other administrative matters.

Proposed Agenda: The subcommittee will review and evaluate information related to the continued academic growth, accreditation, and development of the U.S. Army War College. General deliberations leading to provisional findings will be referred to the Army Education Advisory Committee for deliberation by the Committee under the open-meeting rules.

Public Accessibility to the Meeting: Pursuant to 5 U.S.C. 552b, as amended, and 41 CFR 102–3.140 through 102–3.165, and subject to the availability of space, this meeting is open to the public. Seating is on a first to arrive basis. Attendees are requested to submit their name, affiliation, and daytime phone number seven business days prior to the meeting to Dr. G.K. Cunningham, via electronic mail, the preferred mode of submission, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. Members of the public attending the subcommittee meetings will not be permitted to present questions from the floor or speak to any issue under consideration by the subcommittee.

Because the meeting of the subcommittee will be held in a Federal Government facility on a military base, security screening is required. A photo ID is required to enter base. Please note that security and gate guards have the right to inspect vehicles and persons seeking to enter and exit the installation. Root Hall is fully handicap accessible. Wheelchair access is available in front at the main entrance of the building. For additional information about public access procedures, contact Dr. G.K. Cunningham, the subcommittee's Alternate Designated Federal Officer, at the email address or telephone number listed in the **FOR FURTHER INFORMATION CONTACT** section.

Written Comments or Statements: Pursuant to 41 CFR 102–3.105(j) and 102–3.140 and section 10(a)(3) of the Federal Advisory Committee Act, the public or interested organizations may submit written comments or statements to the subcommittee, in response to the stated agenda of the open meeting or in regard to the subcommittee's mission in general. Written comments or statements should be submitted to Dr. G.K. Cunningham, the subcommittee

Alternate Designated Federal Officer, via electronic mail, the preferred mode of submission, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. Each page of the comment or statement must include the author's name, title or affiliation, address, and daytime phone number. The Alternate Designated Federal Official will review all submitted written comments or statements and provide them to members of the subcommittee for their consideration. Written comments or statements being submitted in response to the agenda set forth in this notice must be received by the Alternate Designated Federal Official at least seven business days prior to the meeting to be considered by the subcommittee. Written comments or statements received after this date may not be provided to the subcommittee until its next meeting.

Pursuant to 41 CFR 102–3.140d, the Committee is not obligated to allow a member of the public to speak or otherwise address the Committee during the meeting. Members of the public will be permitted to make verbal comments during the Committee meeting only at the time and in the manner described below. If a member of the public is interested in making a verbal comment at the open meeting, that individual must submit a request, with a brief statement of the subject matter to be addressed by the comment, at least seven business days in advance to the subcommittee's Alternate Designated Federal Official, via electronic mail, the preferred mode of submission, at the address listed in the **FOR FURTHER INFORMATION CONTACT** section. The Alternate Designated Federal Official will log each request, in the order received, and in consultation with the Subcommittee Chair, determine whether the subject matter of each comment is relevant to the Subcommittee's mission and/or the topics to be addressed in this public meeting. A 15-minute period near the end of the meeting will be available for verbal public comments. Members of the public who have requested to make a verbal comment and whose comments have been deemed relevant under the process described above, will be allotted no more than three minutes during the period, and will be invited to speak in the order in which their requests were received by the Alternate Designated Federal Official.

SUPPLEMENTARY INFORMATION:

A. Purpose

Federal Acquisition Regulation (FAR) 52.203-7, Anti-Kickback Procedures, requires that all contractors have in place and follow reasonable procedures designed to prevent and detect in its own operations and direct business relationships, violations of 41 U.S.C. chapter 87, Kickbacks. Whenever prime contractors or subcontractors have reasonable grounds to believe that a violation of the statute may have occurred, they are required to report the possible violation in writing to the contracting agency inspector general, the head of the contracting agency if an agency does not have an inspector general, or the Department of Justice. The information is used to determine if any violations of the statute have occurred.

There is no Governmentwide data collection process or system which identifies the number of alleged violations of 41 U.S.C. chapter 87, Kickbacks that are reported annually to agency inspectors general, the heads of the contracting agency if an agency does not have an inspector general, or the Department of Justice.

Department of the Navy

Notice of Intent To Prepare an Environmental Impact Statement and To Announce Public Scoping Meetings for the Fallon Range Training Complex Modernization: Expansion of Land Ranges, Airspace Modifications, and Public Land Withdrawal Renewal

AGENCY: Department of the Navy, DoD.

ACTION: Notice.

SUMMARY: Pursuant to Section 102(2)(c) of the National Environmental Policy Act of 1969, as implemented by the Council on Environmental Quality Regulations (40 Code of Federal Regulations parts 1500-1508), the Department of the Navy (DoN) announces its intent to prepare an Environmental Impact Statement (EIS) to assess the potential environmental consequences of maintaining and modernizing the Fallon Range Training Complex (FRTC) in Nevada, which would include land range expansion through additional land withdrawal and land acquisition, airspace modifications, and public land withdrawal renewal. The Navy's action proponent for this proposal is Commander, United States Pacific Fleet (PACFLT). The Bureau of Land Management, the Federal Aviation Administration, and the United States Fish and Wildlife Service will participate as cooperating agencies in the preparation of the EIS.

DATES AND ADDRESSES: See **SUPPLEMENTARY INFORMATION** section for public scoping meeting dates, times, and addresses.

FOR FURTHER INFORMATION CONTACT: Naval Facilities Engineering Command Southwest; Attention: Amy P. Kelley, Code EV21.AK; 1220 Pacific Highway; Building 1, 5th Floor; San Diego, California 92132.

SUPPLEMENTARY INFORMATION: Since the initial operation of Naval Air Station Fallon in the 1940s and the formal establishment of the FRTC in 1977, the ranges and airspace of the FRTC have been extensively used by the DoN and other Services to conduct air warfare and ground training, including live-fire training activities. The FRTC is the

DoN's premier integrated strike warfare training complex, supporting combat elements of PACFLT, United State (U.S.) Fleet Forces Command, U.S. Marine Corps, Naval Special Warfare Command, and others. It is located in the high desert of northern Nevada, 65 miles east of the city of Reno, Nevada, and is comprised of: Special Use Airspace (SUA), including restricted areas, Military Operations Areas (MOAs), and Air Traffic Control Assigned Airspace (ATCAAs); land training ranges; fixed and mobile land targets, and control facilities; threat electronic warfare, early warning radars, and surface-to-air missile systems; and instrumentation facilities.

The current FRTC bombing ranges (B-16, B-17, B-19, and B-20) have not changed substantially in size or configuration since the 1990s. However, warfare technology, to include dynamic improvements to stand-off weapons, platform sensors, threat systems, and strike tactics, and the accuracy of applications that produce and manage safety footprints for air-to-ground weapons training, have continued to evolve. In response to these changes, and to formalize FRTC training requirements, the Naval Aviation Warfighting Development Center (the DoN's primary authority on naval aviation training and tactics development), together with subject matter training experts from the Naval Special Warfare Command, conducted a training capabilities study. This study analyzed the capabilities that should be provided at the FRTC to meet evolving DoN training needs in air warfare, strike warfare, and Naval special warfare. It concluded that training capabilities currently available at the FRTC do not, and will not, meet the real-world training needs identified by Fleet and Unified Commanders. Therefore, to minimize the identified shortcomings and provide the responsive and realistic training capabilities needed to meet evolving aviation and ground training requirements, PACFLT proposes to maintain and modernize the capabilities of the FRTC, including its land ranges, airspace, and infrastructure. The proposed modernization would have the benefit of maintaining and enhancing the safety and security of local and regional populations and infrastructure.

PACFLT's proposed action includes the renewal of the existing 202,859-acre public land withdrawal that expires on November 6, 2021; the withdrawal and reservation for military use of approximately 604,744 acres of additional public land to expand existing land ranges; acquisition of approximately 65,160 acres of non-
