

BLM will use fees collected to make infrastructure improvements and for expenses directly associated with managing the campground. Fees will be charged accordingly for any new campsites added to the Oh Be Joyful Campground and site amenities added to existing campsites. The BLM posted the Oh Be Joyful Campground Business Plan in October 2015, which outlines operational goals of the area and the purpose of the fee program. The Oh Be Joyful Campground Business Plan describes recreation opportunities and fees for camping. Prepared pursuant to the REA and the BLM recreation fee program policy, the Business Plan establishes the rationale for charging recreation fees, establishes a permit process, and establishes the collection of user fees. In accordance with the BLM recreation fee program policy, the Business Plan also outlines how the fees would be used at the campground area. The Business Plan also provides a market analysis of local recreation sites and sets the basis for the fee proposal. Through onsite notifications and local press releases, the BLM notified and involved the public at each stage of the planning process, including the proposal to collect fees. During a field office briefing in spring 2015, the Southwest Colorado Resource Advisory Council informally discussed and verbally expressed their support of charging a fee at the campground.

The BLM welcomes public comments on this proposal.
