

SUMMARY: The purpose of this notice is to reopen the request for public nominations for the Bureau of Land Management (BLM) Alaska Resource Advisory Council (RAC). The RAC provides advice and recommendations to the BLM regarding land management issues. BLM Alaska will accept public nominations for 45 days after the publication of this notice.

DATES: All nominations must be received no later than October 11, 2016.

ADDRESSES: June Lowery, Alaska State Office, BLM, 222 West 7th Avenue, #13, Anchorage, AK 99513, (907) 271-3130.

FOR FURTHER INFORMATION CONTACT: June Lowery, BLM Alaska, 222 West 7th Avenue, # 13, Anchorage, AK 99513, (907) 271-3130.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Category One—Holders of Federal grazing permits or leases; representatives of energy and mineral development; representatives of the commercial timber industry; representatives of interests associated with transportation or rights-of-way; or representatives of developed outdoor recreation, off-highway vehicle use, and commercial recreation;

Category Two—Representatives of nationally or regionally recognized environmental organizations; archaeological and historic organizations; dispersed recreation activities; or nationally or regionally recognized wild horse and burro organizations; and

Category Three—Persons who hold State, county, or local elected office; employees of a State agency responsible for management of natural resources, land or water; representatives of Indian tribes within or adjacent to the area for which the council is organized; persons who are employed as academicians in natural resource management or natural sciences; or representatives of the affected public-at-large.

Those who submitted a nomination in response to the first call for nominations, published in the **Federal Register** on March 18, 2016, do not need to resubmit. All nominations from the first and second calls will be considered together during the review process. Individuals may nominate themselves or others. Nominees must be residents of Alaska. The BLM will evaluate nominees based on their education, training, experience, and knowledge of the geographical area of the RAC. Nominees should demonstrate a commitment to collaborative resource decision-making. Individuals who are Federally registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term “individual capacity” refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest. The following must accompany all nominations:

- Letters of reference from represented interests or organizations;
- A completed Resource Advisory Council application; and
- Any other information that addresses the nominee’s qualifications.

Simultaneous with this notice, the BLM Alaska State Office will issue a press release providing additional information for submitting nominations, with specifics about the number and categories of member positions available for the RAC.

Nominations and completed applications for the RAC should be sent to the office listed under the above **ADDRESSES** section.

Authority: 43 CFR 1784.4-1

Bud C. Cribley,
State Director.

2016 Second Call for Nominations for Utah Resource Advisory Council

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The purpose of this notice is to request a second call for nominations

for five open positions on the Bureau of Land Management (BLM) Utah Resource Advisory Council (RAC) because we did not receive a sufficient number of applications from the first call for nominations. The RAC provides advice and recommendations to the BLM on land use planning and management of the National System of Public Lands within their geographic areas. The BLM will accept public nominations for 30 days after the publication of this notice.

DATES: All nominations must be received no later than September 26, 2016.

ADDRESSES: Lola Bird, Public Affairs Specialist, Bureau of Land Management, Utah State Office, 440 West 200 South, Suite 500, Salt Lake City, Utah 84101.

FOR FURTHER INFORMATION CONTACT: Lola Bird, Public Affairs Specialist, Bureau of Land Management Utah State Office, 440 West 200 South, Suite 500, Salt Lake City, Utah 84101; by telephone (801) 539-4033 or by email: lbird@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 to leave a message or question for the above individual. The FIRS is available 24 hours a day, 7 days a week. Replies are provided during normal business hours.

SUPPLEMENTARY INFORMATION: The Federal Land Policy and Management Act (FLPMA) directs the Secretary of the Interior to involve the public in planning and issues related to management of lands administered by the BLM. Section 309 of FLPMA (43 U.S.C. 1739) directs the Secretary to establish 10- to 15-member citizen-based advisory councils that are consistent with the Federal Advisory Committee Act (FACA). As required by FACA, RAC membership must be balanced and representative of the various interests concerned with the management of the public lands. The rules governing RACs are found at 43 CFR subpart 1784 and include the following three membership categories:

Two positions in *Category One*—Public land ranchers and representatives of organizations associated with energy and mineral development, the timber industry, transportation or rights-of-way, off-highway vehicle use, and commercial recreation.

Two positions in *Category Two*—Representatives of nationally or regionally recognized environmental organizations, archaeological and historical organizations, dispersed recreation activities, and wild horse and burro organizations.

One position in Category Three—Representatives of state, county, or local elected office; representatives and employees of a state agency responsible for the management of natural resources; representatives of Indian Tribes within or adjacent to the area for which the RAC is organized; representatives and employees of academic institutions who are involved in natural sciences; and the public-at-large.

Individuals may nominate themselves or others to serve on an advisory council. Nominees, who must be residents of the state or states where the RAC has jurisdiction, will be judged on the basis of their training, education, and knowledge of the council's geographical area. Nominees should also demonstrate a commitment to consensus building and collaborative decision-making. Individuals who are Federally-registered lobbyists are ineligible to serve on all FACA and non-FACA boards, committees, or councils in an individual capacity. The term "individual capacity" refers to individuals who are appointed to exercise their own individual best judgment on behalf of the government, such as when they are designated Special Government Employees, rather than being appointed to represent a particular interest. All nominations must be accompanied by letters of reference from any represented interests or organizations, a completed RAC application, and any other information that speaks to the nominee's qualifications.

Those who have already submitted a nomination in response to the first call for nominations (published in the **Federal Register**, 81 FR 14879, March 18, 2016) do not need to resubmit. All nominations from the first and second calls will be considered together during the review process.

The BLM-Utah will consult with the Governor's office before forwarding its recommendations to the Secretary of the Interior for a final decision.

Simultaneous with this notice, BLM-Utah will issue a press release providing additional information for submitting nominations.

Authority: 43 CFR 1784.4–1.

Jenna Whitlock,

Acting State Director.

Notice of Availability of the Final Environmental Impact Statement for the Sheep Mountain Uranium Project, Fremont County, Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of Availability

SUMMARY: In accordance with the National Environmental Policy Act of 1969, as amended (NEPA), and the Federal Land Policy Act of 1976 (FLPMA), as amended, the Bureau of Land Management (BLM) has prepared a Final Environmental Impact Statement (EIS) for the Sheep Mountain Uranium Project and by this notice is announcing its availability.

DATES: The BLM will not issue a final decision on the proposal for a minimum of 30 days after the date that the Environmental Protection Agency publishes its Notice of Availability in the **Federal Register**.

ADDRESSES: Copies of the Sheep Mountain Uranium Project Final EIS are available for public inspection in the BLM Lander Field Office, 1335 Main Street, Lander, Wyoming; and in the BLM Wyoming State Office, 5353 Yellowstone, Cheyenne, Wyoming. Interested persons may also review the Final EIS on the Internet at the project Web site at <http://www.blm.gov/wy/st/en/info/NEPA/documents/lfo/sheepmtn.html>.

FOR FURTHER INFORMATION CONTACT:

Chris Krassin, Project Manager, telephone 307–332–8400; address Lander Field Office, 1335 Main Street, Lander, Wyoming 82520; email blm_wy_sheep_mountain_eis@blm.gov. Persons who use a telecommunications device for the deaf may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual during normal business hours. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: Titan Uranium USA Inc., a wholly owned subsidiary of Titan Uranium Inc., submitted a 43 CFR 3809 plan of operations to the BLM Lander Field Office (LFO) for the Sheep Mountain Uranium Project (Project) in Fremont County, Wyoming on June 16, 2011. On February 29, 2012, Energy Fuels Inc.

acquired Titan Uranium Inc. and all of its subsidiaries are now wholly-owned subsidiaries of Energy Fuels Resources (USA) Inc. (Energy Fuels). Energy Fuels will continue as the owner and operator of the Project. Energy Fuels submitted a revised Plan of Operations to the BLM on July 9, 2012 and August 27, 2013.

The Project is located 8 miles south of Jeffrey City, Wyoming, in south-central Fremont County, in the Crooks Gap-Green Mountain Mining District, which was extensively mined starting in the 1950s. This area lies 62 miles southeast of Riverton, 67 miles north of Rawlins, and 105 miles southwest of Casper. The Project is within the active State of Wyoming Permit to Mine 381C administered by the Wyoming Department of Environmental Quality-Land Quality Division (WDEQ–LQD). Energy Fuels' revised application to Permit to Mine 381C was approved in July 2015. Energy Fuels is currently considering applying for a U.S. Nuclear Regulatory Commission (NRC) Source Materials License.

Energy Fuels proposes to explore for and develop uranium reserves to produce approximately 1.0 million to 2.0 million pounds of U₃O₈, or yellowcake, from the uranium ore per year over an anticipated project life of 20 years. Mining would be completed using conventional methods including open pit and underground methods. Ore processing into yellowcake would occur either on site using a heap leach and solvent extraction/ion exchange or off site using the existing conventional Sweetwater Uranium Mill approximately 30 miles to the south. The boundary of the Sheep Mountain Project Area is within the active WDEQ–LQD Permit to Mine 381C Permit Area, encompassing approximately 3,611 acres (approximately 5.6 square miles), of which approximately 929 acres would be disturbed under the Proposed Action Alternative. Approximately 62 percent (572.5 acres) of the surface within the proposed action disturbance area historically was disturbed by previous mining and exploration activities.

The Final EIS addresses the direct, indirect and cumulative impacts of the proposed action, the No Action Alternative and the BLM Mitigation Alternative.

The No Action Alternative, as required by NEPA, describes conditions that would occur if the proposed Project were denied. The No Action Alternative includes reclamation by Energy Fuels of approximately 144 acres as required by the WDEQ–LQD Permit to Mine 381C, and the reclamation of the existing McIntosh Pit by the WDEQ–Abandoned
