Although non-emergency issues not contained in this agenda may come before this Council for discussion, those issues may not be the subject of formal Council action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Mr. Kris Kleinschmidt at (503) 820-2280 at least 5 days prior to the meeting date.

Dated: August 24, 2016.

Jeffrey N. Lonergan,

Acting Deputy Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

BILLING CODE 3510-22-P

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration (NOAA)

Ocean Exploration Advisory Board (OEAB)

AGENCY: Office of Ocean Exploration and Research (OER) National Oceanic and Atmospheric Administration (NOAA) Department of Commerce (DOC).

ACTION: Notice of public meeting.

SUMMARY: This notice sets forth the schedule and proposed agenda of a forthcoming meeting of the Ocean Exploration Advisory Board (OEAB). OEAB members will discuss and provide advice on Federal ocean exploration programs, with a particular emphasis on National Oceanic and Atmospheric Administration (NOAA) Office of Ocean Exploration and Research (OER) activities; federal ocean exploration partners, including the Cooperative Institute for Ocean Exploration, Research, and Technology, the Office of Naval Research, and NOAA's Integrated Ocean Observing System program; advising NOAA on out-year budget development with respect to ocean exploration; and other matters as described in the agenda found on the OEAB Web site at <http://oeab.noaa.gov>.

TIME AND DATES: The announced meeting is scheduled for Tuesday, September 13, 2016 from 8:30 a.m.–5:30 p.m. EDT, and Wednesday, September 14, 2016 from 8:30 a.m.–4:30 p.m. EDT.

ADDRESSES: The meeting will be held at the Boeing Company, 929 Long Bridge Drive, Arlington, VA 22202.

STATUS: The meeting will be open to the public with a 30 minute public comment period on Tuesday, September 13, 2016 from 2:45 p.m. to 3:15 p.m. EDT (please check the agenda on the Web site to confirm the time). The public may listen to the meeting and provide comments during the public comment period via teleconference. Dial-in information may be found on the meeting agenda posted to the OEAB Web site.

The OEAB expects that public statements at its meetings will not be repetitive of previously submitted verbal or written statements. In general, each individual or group making a verbal presentation will be limited to three minutes. The Designated Federal Officer must receive written comments by September 1, 2016 to provide sufficient time for OEAB review. Written comments received after September 1, 2016 will be distributed to

the OEAB but may not be reviewed prior to the meeting date. Seats will be available on a first-come, first-served basis.

SPECIAL ACCOMODATIONS: These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to David McKinnie, Designated Federal Officer (see below) by September 1, 2016.

FOR FURTHER INFORMATION CONTACT: Mr. David McKinnie, Designated Federal Officer, Ocean Exploration Advisory Board, National Oceanic and Atmospheric Administration, 7600 Sand Point Way NE., Seattle, WA 98115, (206) 526-6950.

SUPPLEMENTARY INFORMATION: NOAA established the OEAB under the Federal Advisory Committee Act (FACA) and legislation that gives the agency statutory authority to operate an ocean exploration program and to coordinate a national program of ocean exploration. The OEAB advises NOAA leadership on strategic planning, exploration priorities, competitive ocean exploration grant programs and other matters as the NOAA Administrator requests.

OEAB members represent government agencies, the private sector, academic institutions, and not-for-profit institutions involved in all facets of ocean exploration—from advanced technology to citizen exploration.

In addition to advising NOAA leadership, NOAA expects the OEAB to help to define and develop a national program of ocean exploration—a network of stakeholders and partnerships advancing national priorities for ocean exploration.

Dated: August 24, 2016.

Jason Donaldson,

Chief Financial Officer, Office of Oceanic and Atmospheric Research, National Oceanic and Atmospheric Administration.
