SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: Study of the Turnaround School Leaders Program (TSLP).

OMB Control Number: 1875-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 62.

Total Estimated Number of Annual Burden Hours: 63.

Abstract: The study will examine the implementation of the Turnaround School Leaders Program (TSLP) and provide information on how grantees (1) identify, develop, and support leaders and aspiring leaders of low-performing schools; (2) adjust their project plans,

(3) use data to examine progress, and (4) work with project partners to meet goals. The ultimate purpose of the study is to glean specific lessons learned for turnaround leadership development (for the field), program improvement (for program staff), and program design (for policy makers). The study will include surveys of all (12) Cohort 1 grantees; case studies of seven Cohort 1 grantees, including each grantees' partners; and an analysis of extant data, including grantee applications, early outcomes data, and other relevant project-specific data.

Dated: August 29, 2016.

Kate Mullan,

Acting Director, Information Collection Clearance Division, Office of the Chief Privacy Officer, Office of Management.
