#### Russian Sanctions: Addition of Certain Entities to the Entity List

**AGENCY:** Bureau of Industry and Security, Commerce.

**ACTION:** Final rule.

**SUMMARY:** The Bureau of Industry and Security (BIS) amends the Export Administration Regulations (EAR) by adding eighty-one entities under eighty-six entries to the Entity List. The eighty-one entities who are added to the Entity List have been determined by the U.S. Government to be acting contrary to the national security or foreign policy interests of the United States. BIS is taking this action to ensure the efficacy of existing sanctions on the Russian Federation (Russia) for violating international law and fueling the conflict in eastern Ukraine. These entities will be listed on the Entity List under the destinations of the Crimea region of Ukraine, Hong Kong, India, and Russia.

**DATES:** This rule is effective September 7, 2016.

**FOR FURTHER INFORMATION CONTACT:** Chair, End-User Review Committee, Office of the Assistant Secretary, Export Administration, Bureau of Industry and Security, Department of Commerce, Phone: (202) 482–5991, Email: *ERC@bis.doc.gov*.

#### SUPPLEMENTARY INFORMATION:

##### Background

The Entity List (Supplement No. 4 to Part 744 of the EAR) identifies entities and other persons reasonably believed to be involved in, or that pose a significant risk of being or becoming

involved in, activities that are contrary to the national security or foreign policy of the United States. The EAR imposes additional licensing requirements on, and limits the availability of most license exceptions for, exports, reexports, and transfers (in-country) to those persons or entities listed on the Entity List. The license review policy for each listed entity is identified in the License Review Policy column on the Entity List and the impact on the availability of license exceptions is described in the **Federal Register** notice adding entities or other persons to the Entity List. BIS places entities on the Entity List based on certain sections of part 744 (Control Policy: End-User and End-Use Based) and part 746 (Embargoes and Other Special Controls) of the EAR.

The End-user Review Committee (ERC) is composed of representatives of the Departments of Commerce (Chair), State, Defense, Energy, and where appropriate, the Treasury. The ERC makes decisions to add an entry to the Entity List by majority vote and to remove or modify an entry by unanimous vote. The Departments represented on the ERC have approved these changes to the Entity List.

#### Entity List Additions

##### *Additions to the Entity List*

This rule implements the decision of the ERC to add eighty-one entities under eighty-six entries to the Entity List. These eighty-one entities are being added on the basis of § 744.11 (License requirements that apply to entities acting contrary to the national security or foreign policy interests of the United States) of the EAR. The eighty-six entries being added to the Entity List consist of seven entries in the Crimea region of Ukraine, two entries in Hong Kong, two entries in India, and seventy-five entries in Russia. There are eighty-six entries for the eighty-one entities because five entities are listed in multiple locations, resulting in five additional entries.

Under § 744.11(b) (Criteria for revising the Entity List) of the EAR, persons for whom there is reasonable cause to believe, based on specific and articulable facts, have been involved, are involved, or pose a significant risk of being or becoming involved in, activities that are contrary to the national security or foreign policy interests of the United States and those acting on behalf of such persons may be added to the Entity List. The entities being added to the Entity List have been determined to be involved in activities that are contrary to the national security

or foreign policy interests of the United States. Specifically, in this rule, BIS adds entities to the Entity List for violating international law and fueling the conflict in eastern Ukraine. These additions ensure the efficacy of existing sanctions on Russia. The particular additions to the Entity List and related authorities are as follows.

#### *A. Entity Additions Consistent With Executive Order 13660*

One entity is added based on activities that are described in Executive Order 13660 (79 FR 13493), *Blocking Property of Certain Persons Contributing to the Situation in Ukraine*, issued by the President on March 6, 2014. As described in the Order, the President found that the actions and policies of persons who have asserted governmental authority in Crimea without the authorization of the Government of Ukraine undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets; and thereby constitute an unusual and extraordinary threat to the national security and foreign policy of the United States. The President also declared a national emergency to deal with that threat.

Executive Order 13660 blocks all property and interests in property that are in the United States, or that are or come within the possession or control of any United States person (including any foreign branch) of any person determined by the Secretary of the Treasury, in consultation with the Secretary of State, to be responsible for or complicit in, or to have engaged in, directly or indirectly, misappropriation of state assets of Ukraine or of an economically significant entity in Ukraine, among other activities. Under Section 8 of the Order, all agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the Order.

The Department of the Treasury's Office of Foreign Assets Control, pursuant to Executive Order 13660, has designated the following entity: Salvation Committee of Ukraine, as being within the scope of the Order. In conjunction with that designation, BIS adds Salvation Committee of Ukraine to the Entity List under this rule and imposes a license requirement for exports, reexports, or transfers (in-country) of all items subject to the EAR to this blocked entity. This license requirement implements an appropriate

measure within the authority of the EAR to carry out the provisions of Executive Order 13660.

*B. Entity Additions Consistent With Executive Order 13661*

Eleven entities are added based on activities that are described in Executive Order 13661 (79 FR 15533), *Blocking Property of Additional Persons Contributing to the Situation in Ukraine*, issued by the President on March 16, 2014. This Order expanded the scope of the national emergency declared in Executive Order 13660, finding that the actions and policies of the Government of the Russian Federation with respect to Ukraine—including the deployment of Russian military forces in the Crimea region of Ukraine—undermine democratic processes and institutions in Ukraine; threaten its peace, security, stability, sovereignty, and territorial integrity; and contribute to the misappropriation of its assets, and thereby constitute an unusual and extraordinary threat to the national security and foreign policy of the United States.

Executive Order 13661 includes a directive that all property and interests in property that are in the United States, that hereafter come within the United States, or that are or thereafter come within the possession or control of any United States person (including any foreign branch) of the following persons are blocked and may not be transferred, paid, exported, withdrawn, or otherwise dealt in: Persons determined by the Secretary of the Treasury, in consultation with the Secretary of State to have either materially assisted, sponsored or provided financial, material or technological support for, or goods and services to or in support of a senior official of the government of the Russian Federation or to operate in the defense or related materiel sector in Russia. Under Section 8 of the Order, all agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the Order.

BIS, pursuant to Executive Order 13661, and in consultation with the Departments of State, Defense, Energy, and the Treasury, has designated the following eleven entities: Angstrom-M; Giovan Ltd.; Joint Stock Company Angstrom; Joint Stock Company Angstrom-T; Joint Stock Company Foreign Economic Association (FEA) Radioexport; Joint Stock Company Perm Scientific Industrial Instrument-Making Company (PNPPK); Joint Stock Company Mikron; Joint Stock Company Research and Production Company

Micran; NPC Granat; Technopole Company; and Technopole Ltd. The eleven entities added to the Entity List under Executive Order 13661 meet the criteria of Section 1, subparagraph B of the Order because they operate in Russia's arms or related materiel sector. BIS adds all eleven of those entities to the Entity List under this rule, and imposes a license requirement for exports, reexports, or transfers (in-country) of all items subject to the EAR to these entities. This license requirement implements an appropriate measure within the authority of the EAR to carry out the provisions of Executive Order 13661.

*C. Entity Additions Consistent With Executive Order 13662*

Fifty-one entities are added to the Entity List based on activities that are described in Executive Order 13662 (79 FR 16169), *Blocking Property of Additional Persons Contributing to the Situation in Ukraine*, issued by the President on March 20, 2014. This Order expanded the scope of the national emergency declared in Executive Order 13660 of March 6, 2014 and expanded in Executive Order 13661 of March 16, 2014. Specifically, Executive Order 13662 expanded the scope to include sectors of the Russian economy as may be determined by the Secretary of the Treasury, in consultation with the Secretary of State, such as financial services, energy, metals and mining, engineering, and defense and related materiel. Under Section 8 of the Order, all agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the Order.

The Department of the Treasury's Office of Foreign Assets Control, pursuant to Executive Order 13662, on behalf of the Secretary of the Treasury, and in consultation with the Secretary of State, has designated the following fifty-one entities as operating in the energy sector of Russia and owned or controlled by, or have acted or purported to act for or on behalf of, directly or indirectly, Gazprom, OAO, a person whose property and interests are blocked pursuant to the Order: Achim Development, OOO; Daltransgaz, OAO; Druzhba, AO; Gaz-Oil, OOO; Gazmash, AO; Gazprom Dobycha Irkutsk, OOO; Gazprom Dobycha Krasnodar, OOO; Gazprom Dobycha Kuznetsk, OOO; Gazprom Dobycha Nadym, OOO; Gazprom Dobycha Noyabrsk, OOO; Gazprom Dobycha Urengoi, OOO; Gazprom Dobycha Yamburg, OOO; Gazprom Energo, OOO; Gazprom Flot, OOO; Gazprom Gaznadzor, OOO;

In conjunction with that designation, BIS adds all fifty-one of the entities to the Entity List under this rule and imposes a license requirement for exports, reexports, or transfers (in-country) of all items subject to the EAR to these blocked persons, when the exporter, reexporter or transferor knows that the item will be used directly or indirectly in exploration for, or production of, oil or gas in Russian deepwater (greater than 500 feet) or Arctic offshore locations or shale formations in Russia, or is unable to determine whether the item will be used in such projects. All of these persons are subsidiaries of Gazprom, which was added to the Entity List on September 17, 2014 (79 FR 55608). This license requirement implements an appropriate measure within the authority of BIS to carry out the provisions of Executive Order 13662.

*D. Entity Additions Consistent With Executive Order 13685*

Eighteen entities are added based on activities that are described in Executive Order 13685 (79 FR 77357), *Blocking Property of Certain Persons and Prohibiting Certain Transactions with Respect to the Crimea Region of Ukraine*, issued by the President on December 19, 2014. This Order took additional steps to address the Russian occupation of the Crimea region of Ukraine with respect to the national emergency declared in Executive Order 13660 of March 6, 2014, and expanded

in Executive Order 13661 of March 16, 2014 and Executive Order 13662 of March 20, 2014. In particular, Executive Order 13685 prohibited the export, reexport, sale or supply, directly or indirectly, from the United States or by a U.S. person, wherever located, of any goods, services, or technology to the Crimea region of Ukraine. Under Section 10 of the Order, all agencies of the United States Government are directed to take all appropriate measures within their authority to carry out the provisions of the Order.

The Department of the Treasury's Office of Foreign Assets Control, pursuant to Executive Order 13685 on behalf of the Secretary of the Treasury and in consultation with the Secretary of State, has designated the following eighteen entities as operating in the Crimea region of Ukraine: AO 'Institute Giprostroymost—Saint-Petersburg'; CJSC Sovmortrans; FAU 'Glavgosekspertiza Rossii'; FKU Uprдор 'Taman'; Federal SUE Shipyard 'Morye'; LLC Koksokhimtrans; OAO Ship Repair Center 'Zvezdochka'; OJSC Sovfracht; OAO 'Uranis-Radiosistemy'; OOO 'DSK'; OOO Shipyard 'Zaliv'; OOO 'STG-EKO'; PJSC Mostotrest; SGM Most OOO; SMT-K; Sovfracht Managing Company, LLC; Sovfracht-Sovmortrans Group; and Sue RC 'Feodosia Optical Plant'. In conjunction with that designation, BIS adds all eighteen of these entities to the Entity List under this rule and imposes a license requirement for exports, reexports, or transfers (in-country) of all items subject to the EAR to these blocked persons. This license requirement implements an appropriate measure within the authority of the EAR to carry out the provisions of Executive Order 13685.

For the thirty entities under thirty-five entries added to the Entity List based on activities that are described in Executive Orders 13660, 13661, or 13685, BIS imposes license requirement for all items subject to the EAR and a license review policy of presumption of denial. The license requirement applies to any transaction in which items are to be exported, reexported, or transferred (in-country) to any of the entities or in which such entities act as purchaser, intermediate consignee, ultimate consignee, or end-user.

For the fifty-one Russian subsidiaries of Gazprom, OAO, that are added to the Entity List based on activities described in Executive Order 13662, the BIS imposes a license requirement for the export, reexport or transfers (in-country) of all items subject to the EAR to those companies when the exporter, reexporter or transferor knows that the item will be used directly or indirectly

in exploration for, or production of, oil or gas in Russian deepwater (greater than 500 feet) or Arctic offshore locations or shale formations in Russia, or is unable to determine whether the item will be used in such projects. License applications for the fifty-one Russian subsidiaries will be reviewed with a presumption of denial when the items are for use directly or indirectly for exploration or production from deepwater (greater than 500 feet), Arctic offshore, or shale projects in Russia that have the potential to produce oil. In addition, no license exceptions are available for exports, reexports, or transfers (in-country) to any of the entities being added to the Entity List in this rule.

The acronyms "a.k.a." (also known as) and "f.k.a." (formerly known as) are used in entries on the Entity List to help exporters, reexporters and transferors to better identify listed persons on the Entity List.

This final rule adds the following eighty-one entities under eighty-six entries to the Entity List:

### Export Administration Act

Although the Export Administration Act expired on August 20, 2001, the President, through Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 783 (2002), as amended by Executive Order 13637 of March 8, 2013, 78 FR 16129 (March 13, 2013) and as extended by the Notice of August 4, 2016, 81 FR 52587 (August 8, 2016), has continued the Export Administration Regulations in effect under the International Emergency Economic Powers Act. BIS continues to carry out the provisions of the Export Administration Act, as appropriate and to the extent permitted by law, pursuant to Executive Order 13222, as amended by Executive Order 13637.

### Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been determined to be not significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to nor be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by OMB under control number 0694–0088, Simplified Network Application Processing System, which

includes, among other things, license applications and carries a burden estimate of 43.8 minutes for a manual or electronic submission.

Total burden hours associated with the PRA and OMB control number 0694–0088 are not expected to increase as a result of this rule. You may send comments regarding the collection of information associated with this rule, including suggestions for reducing the burden, to Jasmeet K. Sehra, Office of Management and Budget (OMB), by email to *Jasmeet\_K\_Sehra@omb.eop.gov*, or by fax to (202) 395–7285.

3. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public comment and a delay in effective date are inapplicable because this regulation involves a military or foreign affairs function of the United States. (*See* 5 U.S.C. 553(a)(1)). BIS implements this rule to protect U.S. national security or foreign policy interests by preventing items from being exported, reexported, or transferred (in country) to the entities being added to the Entity List. If this rule were delayed to allow for notice and comment and a delay in effective date, then the entities being added to the Entity List by this action would continue to be able to receive items without a license and to conduct activities contrary to the national security or foreign policy interests of the United States. In addition, publishing a proposed rule would give these parties notice of the U.S. Government's intention to place them on the Entity List and would create an incentive for these persons to either accelerate receiving items subject to the EAR to conduct activities that are contrary to the national security or foreign policy interests of the United States, and/or to take steps to set up additional aliases, change addresses, and other measures to try to limit the impact of the listing on the Entity List once a final rule was published. Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this rule. Because a notice of proposed

rulemaking and an opportunity for public comment are not required to be given for this rule by 5 U.S.C. 553, or by any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, are not applicable. Accordingly, no regulatory flexibility analysis is required and none has been prepared.
