BILLING CODE P

FARM CREDIT ADMINISTRATION**12 CFR Part 602**

RIN 3052-AD18

Releasing Information; Availability of Records of the Farm Credit Administration; FOIA Fees

AGENCY: Farm Credit Administration.

ACTION: Final rule.

SUMMARY: The Farm Credit Administration (FCA or Agency) issues a final rule amending its regulations to reflect changes to the Freedom of Information Act (FOIA). The FOIA Improvement Act of 2016 requires FCA to amend its FOIA regulations to extend the deadline for administrative appeals, to add information on dispute resolution services, and to amend the way FCA charges fees.

DATES: This regulation will become effective no earlier than 30 days after publication in the **Federal Register** during which either one or both Houses of Congress are in session. We will publish a notice of the effective date in the **Federal Register**.

FOR FURTHER INFORMATION CONTACT: Mike Wilson, Policy Analyst, Office of Regulatory Policy, Farm Credit Administration, McLean, VA 22102-5090, (703) 883-4124, TTY (703) 883-4434; or Autumn Agans, Attorney-Advisor, Office of General Counsel, Farm Credit Administration, McLean, VA 22102-5090. (703) 883-4020, TTY (703) 883-4020.

SUPPLEMENTARY INFORMATION:**I. Objective**

The objective of this final rule is to reflect changes to the FOIA by the FOIA

Improvement Act of 2016 (Improvement Act). The Improvement Act added additional protections for requesters of records held by the executive branch of the U.S. Government.

II. Background

The FOIA was enacted to give the public a right to access records held by the executive branch that, although not classified, were not otherwise available to them.¹ Since its enactment in 1966, the FOIA has been amended on a number of occasions to adapt to the times and changing priorities.

III. FOIA Procedures

The Improvement Act contains several substantive and procedural amendments to the FOIA, as well as new reporting requirements for agencies.² The Improvement Act addresses a range of procedural issues, including requirements that agencies establish a minimum of 90 days for requesters to file an administrative appeal and that they provide dispute resolution services at various times throughout the FOIA process. The Improvement Act also updates how fees are assessed.

IV. Section-by-Section Analysis**A. Section 602.8**

We revise § 602.8 by:

1. Changing the appeals deadline from 30 days to 90 days in paragraph (a); and
2. Adding FCA's FOIA Public Liaison and the Office of Government Information Services to the list of offices available to offer dispute resolution services in paragraph (d).

B. Section 602.12

We revise § 602.12 by adding paragraphs (f), (g), and (h) with updated information about charging fees.

C. Section 602.16

We revise § 602.16 by removing the last line of the paragraph, which requires FCA to assume multiple requests made within 30 days have been made to avoid fees.

L. 111-83, title V, sec. 564(b), Oct. 28, 2009, 123 Stat. 2184.

² Pub. L. 114-185, June 30, 2016.

V. Certain Findings

We have determined that the amendments mandated by the Improvement Act involve agency management and technical changes. Therefore, the amendments do not constitute a rulemaking under the Administrative Procedure Act (APA), 5 U.S.C. 551, 553(a)(2). Under the APA, the public may participate in the promulgation of rules that have a substantial impact on the public. The amendments to our regulations relate to agency management and technical changes only and are required by statute, and therefore, do not require public participation.

Even if these amendments were a rulemaking under 5 U.S.C. 551, 553(a)(2) of the APA, we have determined that notice and public comment are unnecessary and contrary to the public interest. Under 5 U.S.C. 553(b)(B) of the APA, an agency may publish regulations in final form when the agency for good cause finds that notice and public procedure thereon are impracticable, unnecessary, or contrary to public interest. The proposed amendments are required by statute, are not a matter of agency discretion, and provide additional protections to the public through the existing regulations. Thus, notice and public procedure are impracticable, unnecessary, and contrary to the public interest.

VI. Regulatory Flexibility Act

Pursuant to section 605(b) of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), FCA hereby certifies that the final rule will not have a significant economic impact on a substantial number of small entities. Each of the banks in the Farm Credit System (System), considered together with its affiliated associations, has assets and annual income in excess of the amounts that would qualify them as small entities. Therefore, System institutions are not "small entities" as defined in the Regulatory Flexibility Act.

If an unusual circumstance exists, and timely, written notice is given to the requester, we may be excused an additional 10 working days before fees are automatically waived under this paragraph.

(g) If we determine that unusual circumstances apply and more than 5,000 pages are necessary to respond to

a request, we may charge fees if we provided a timely, written notice to the requester and discussed with the requester via mail, Email, or telephone (or made at least three good-faith attempts to do so) how the requester could effectively limit the scope of the request.

(h) If a court has determined that exceptional circumstances exist, a failure to comply with time limits imposed by these regulations or FOIA shall be excused for the length of time provided by court order.

■ 4. Section 602.16 is revised to read as follows:

You may not avoid paying fees by filing multiple requests at the same time. When FCA reasonably believes that you, alone or with others, are breaking down one request into a series of requests to avoid fees, we will combine the requests and charge accordingly.

SMALL BUSINESS ADMINISTRATION

13 CFR Part 123

RIN 3245–AG61

Disaster Assistance Loan Program; Disaster Loan Credit and Collateral Requirements

AGENCY: U.S. Small Business Administration.

ACTION: Final rule.

SUMMARY: On April 25, 2014, the Small Business Administration (SBA) published in the *Federal Register* an interim final rule amending its disaster loan program regulations in response to Hurricane Sandy Rebuilding Task Force recommendations. The first change allowed SBA to rely on the disaster loan applicant's credit, including credit score, rather than personal or business cash flow in order to assess repayment ability for those applicants with strong credit. The second change increased the amount of disaster assistance funds that can be immediately disbursed to borrowers by raising the unsecured threshold for economic injury loans for all disasters and for physical damage loans for major disasters. SBA received no comments on its interim final rule; therefore, SBA adopts the interim final rule without change.

DATES: This final rule is effective September 15, 2016.

FOR FURTHER INFORMATION CONTACT: Eric Wall, Office of Disaster Assistance, 409 3rd St. SW., Washington, DC 20416, (202) 205–6739.

SUPPLEMENTARY INFORMATION:

I. Background

The Hurricane Sandy Rebuilding Task Force was established pursuant to an Executive Order issued on December 7, 2012, E.O. 13632, Establishing the Hurricane Sandy Task Force (December 7, 2012). This Task Force was established to ensure the recovery effort benefitted from cabinet-level focus and coordination, and was charged with establishing guidelines for the investment of Federal funds made available for the recovery. As a member of this task force, SBA collaborated with these executive agencies and offices to identify and work to remove obstacles to resilient rebuilding while taking into account existing and future risks and promoting the long-term sustainability of communities and ecosystems in the Sandy-affected region.

As a result of Task Force recommendations, SBA published an interim final rule on April 25, 2014 (79 FR 22859). The rule amended 13 CFR 123.6 of SBA regulations to allow SBA to rely on a disaster applicant's credit, including score, as evidence of repayment ability. This change allowed SBA to expedite processing of applications from disaster victims with strong credit by removing the requirement to analyze cash flow for all loans. The interim final rule also revised 13 CFR 123.11 to increase SBA's unsecured disaster loan limit to \$25,000 for economic injury loans for all disasters and for physical damage loans for major disasters. The comment period for the interim final rule ended on June 23, 2014, and SBA received no comments.

Executive Order 12866

The Office of Management and Budget (OMB) has determined that this final rule is not a significant regulatory action for the purposes of Executive Order 12866. This is not a major rule under the Congressional Review Act, 5 U.S.C. 800.
