AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On July 18, 2016, the Department of Commerce (the Department) published the notice of initiation and preliminary results of the changed circumstances review of the antidumping duty order on oil country tubular goods from the Republic of Korea (Korea). In that notice, we preliminarily determined that Hyundai Steel Corporation (Hyundai Steel) is the successor-in-interest to Hyundai HYSKO (HYSKO) for purposes of determining antidumping duty cash deposits and liabilities. No interested party submitted comments on the preliminary results. For these final results, the Department continues to find that Hyundai Steel is the successor-in-interest to HYSKO.

DATES: Effective August 12, 2016.

FOR FURTHER INFORMATION CONTACT: Victoria Cho, AD/CVD Operations, Office VI, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-5075.

SUPPLEMENTARY INFORMATION:

Background

On February 24, 2016, Hyundai Steel informed the Department that, effective July 1, 2015, it merged with HYSKO and requested that the Department conduct an expedited changed circumstances review under section 751(b) of the Tariff Act of 1930, as amended, 19 CFR 351.216(c), and 19 CFR 351.221(c)(3)(ii), to confirm that Hyundai Steel is the successor-in-interest to HYSKO for purposes of determining antidumping duty cash deposits and liabilities. On July 18, 2016, the Department initiated this changed circumstances review and published the notice of preliminary results,¹ determining that Hyundai Steel is the successor-in-interest to HYSKO.

Final Results of Changed Circumstances Review

For the reasons stated in the *Initiation and Preliminary Results*, and because we received no comments from interested parties, the Department finds that Hyundai Steel is the successor-in-interest to HYSKO. As a result of this determination, we find that Hyundai Steel should receive the cash deposit rate assigned to HYSKO in the most recently completed segment of the antidumping duty order on OCTG from Korea.² Consequently, the Department will instruct U.S. Customs and Border Protection to suspend liquidation of all
