

qualified railroad employees whose physical or mental condition renders them incapable of working in their regular occupation (occupational disability) or any occupation (total disability). The medical reports obtain information needed for determining the nature and severity of the impairment.

Changes Proposed: In support of the RRB's Disability Program Improvement Project to enhance/improve disability

case processing and overall program integrity, the RRB proposes the addition of proposed Form RL-11D1, Request for Medical Evidence from Employers, to the information collection. Form RL-11D1 will be mailed by an RRB field office to railroad employers to obtain any medical evidence regarding the employee's disability that they may have acquired within the last 18 months. A copy of the employee signed

Form G-197 will be enclosed with the RL-11D1. The employer will return the RL-11D1 to RRB Headquarters certifying that they either have submitted the requested medical evidence or that they have no medical evidence to submit. One response is requested of each respondent. Completion is voluntary.

The burden estimate for the ICR is as follows:

Form No.	Annual responses	Time (minutes)	Burden (hours)
