

TOTAL ESTIMATED ANNUALIZED BURDEN—HOURS

| Form name              | Number of respondents | Number of responses per respondent | Average burden per response (in hours) | Total burden hours |
|------------------------|-----------------------|------------------------------------|--|--------------------|
| Community Survey ..... | 500                   | 1                                  | 15/60                                  | 125                |
| Focus Groups .....     | 240                   | 1                                  | 90/60                                  | 360                |
| Interviews .....       | 40                    | 1                                  | 1/60                                   | 40                 |
| Total .....            | .....                 | .....                              | .....                                  | .....              |

OS specifically requests comments on (1) the necessity and utility of the proposed information collection for the proper performance of the agency's functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.
