A. Overview of Information Collection

Title of Information Collection: Promise Zones Reporting.
OMB Control Number: 2501—New.
Type of Request: New collection.
 HUD-XXXX—Monthly Grant Report.
 HUD-XXXX—Quarterly and Annual Strategic Plan.
 HUD-XXXX—Non-Federal Investments.

HUD-XXXX—New Neighborhood Amenities.

HUD-XXXX—Annual Report.

Description of the need for the information and proposed use: This collection is a new collection that will be collecting information for reporting purposes. This collection will reference the actual application collection that was approved under OMB 2501-033. HUD designated fourteen communities as urban Promise Zones between 2014 and 2016. Under the Promise Zones initiative, the federal government will invest and partner with high-poverty urban, rural, and tribal communities to create jobs, increase economic activity, improve educational opportunities, leverage private investment, and reduce violent crime. Additional information about the Promise Zones initiative can be found at www.hud.gov/promisezones, and questions can be addressed to promisezones@hud.gov. The federal administrative duties pertaining to these designations shall be managed and executed by HUD for ten years from the designation dates pursuant. The Promise Zone Initiative supports HUD's responsibilities under sections 2 and 3 of the HUD Act, 42 U.S.C. 3531-32, to assist the President in achieving maximum coordination of the various federal activities which have a major effect upon urban community, suburban, or metropolitan development; to develop and recommend the President policies for fostering orderly growth and development of the Nation's urban areas; and to exercise leadership, at the direction of the President, in coordinating federal activities affecting housing and urban development.

To facilitate communication between local and federal partners, HUD proposes that Promise Zone Lead Organizations submit minimal reports and documents to support collaboration and problem solving between local and federal partners. These reports will also assist in communications and stakeholder engagement, both locally and nationally.

Respondents (i.e. affected public): Fourteen Promise Zone Lead Organizations.
