SUPPLEMENTARY INFORMATION:

I. Abstract

Under 54 U.S.C. 100101 (National Park Service Act Organic Act), we must preserve America’s natural wonders unimpaired for future generations, while also making them available for the enjoyment of the visitor. The NPS’ commitment to future generations includes a commitment to engaging children in science at some of the country’s most beautiful and ecologically intact sites while improving the quality of STEM—or science, technology, engineering, and mathematics—instruction. The study of the After School Place-Based STEM Learning Partnership will provide insight into how STEM education programs can strengthen students’ interest and engagement in STEM,

develop skills and knowledge around ecological monitoring, and encourage students to see themselves as active participants in building scientific knowledge. The study is part of an interagency agreement between the U.S. Department of Education (ED) and the NPS, and a project implemented in partnership with the Bureau of Indian Education (BIE), the 21st Century Community Learning Center (CCLC), and the National Environmental Education Foundation. The study will include a student survey to assess the following outcomes:

- Confidence in the ability to participate in environmental monitoring and citizen science activities/discussions,
- Interest in pursuing or participating in classes, activities or discussions related to general STEM and/or environmental science,
- Recognition of the relevance of STEM and environmental science to students’ lives and communities, and
- Interest in environmental science and/or in pursuing additional STEM-related classes, activities and/or careers.

The study sample will include students who participate in STEM education programs delivered in partnership with eight national parks and their partner schools.

SUPPLEMENTARY INFORMATION:

Background.—On July 5, 2016, the Commission determined that responses to its notice of institution of the subject five-year reviews were such that full reviews should proceed (81 FR 45304, July 13, 2016); accordingly, full reviews are being scheduled pursuant to section 751(c)(5) of the Tariff Act of 1930 (19 U.S.C. 1675(c)(5)). A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s

statements are available from the Office of the Secretary and at the Commission’s Web site.

Participation in the reviews and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in these reviews as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission’s rules, by 45 days after publication of this notice. A party that filed a notice of appearance following publication of the Commission’s notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission’s notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the reviews will be placed in the nonpublic record on January 10, 2017, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission’s rules.

Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before January 19, 2017. A nonparty who has testimony that may aid the
