SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79037; File No. SR-BOX-2016-46]

Self-Regulatory Organizations; BOX Options Exchange LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Make Non-Controversial Amendments to Its Rules

October 4, 2016.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 22, 2016, BOX Options Exchange LLC (the "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have

been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of the Substance of the Proposed Rule Change

The Exchange proposes to make non-controversial amendments to its rules. The text of the proposed rule change is available from the principal office of the Exchange, at the Commission's Public Reference Room and also on the Exchange's Internet Web site at <http://boxexchange.com>.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend Rule 7130(a) to clarify that the BOX HSVF is no longer provided to market participants at no cost. The BOX HSVF is a proprietary product that provides: (i) Trades and trade cancellation information; (ii) best-ranked price level to buy and the best-ranked price level to sell; (iii) instrument summaries (including information such as high, low, and last trade price and traded volume); (iv) the five best limit prices for each option instrument; (v) request for Quote messages;³ (vi) PIP Order, Improvement Order and Block Trade Order (Facilitation and Solicitation) information;⁴ (vii) orders exposed at NBBO;⁵ (viii) instrument dictionary (e.g., strike price, expiration date, underlying symbol, price threshold, and minimum trading increment for

instruments traded on BOX); (ix) options class and instrument status change notices (e.g., whether an instrument or class is in pre-opening, continuous trading, closed, halted, or prohibited from trading); (x) options class opening time; and (xi) Public Customer bid/ask volume at the best limit.

The Exchange recently amended its fees to establish a \$750.00 per month fee for receiving the HSVF.⁶ The Exchange proposes to amend the language in BOX Rule 7130(a)(2) to reflect this change.

2. Statutory Basis

The Exchange believes that the proposal is consistent with the requirements of Section 6(b) of the Act,⁷ in general, and Section 6(b)(5) of the Act,⁸ in particular, in that it is designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general protect investors and the public interest. The Exchange believes it is appropriate to make the proposed change to its rules so that market participants and investors have a clear and accurate understanding of the meaning of the Exchange's rules. By removing obsolete rule text, the Exchange is eliminating any potential for confusion by simplifying the Exchange Rules, ensuring that market participants, regulators and the public can more easily navigate the Exchange's Rulebook. The Exchange believes that the proposed rule change is not unfairly discriminatory because it treats all market participants equally and will not have an adverse impact on any market participant.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. In particular, the proposed change simply reflects the recent amendments to the BOX Fee Schedule.⁹ As such, the Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)¹⁰ of the Act and Rule 19b-4(f)(6) thereunder.¹¹

A proposed rule change filed pursuant to Rule 19b-4(f)(6) under the Act¹² normally does not become operative for 30 days after the date of its filing. However, Rule 19b-4(f)(6)(iii)¹³ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Exchange believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange to immediately reflect recent amendments to its fee schedule, which will eliminate any potential for confusion.¹⁴ The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. Therefore, the Commission hereby waives the operative delay and designates the proposed rule change operative upon filing.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if

¹¹ 17 CFR 240.19b-4(f)(6). As required under Rule 19b-4(f)(6)(iii), the Exchange provided the Commission with written notice of its intent to file the proposed rule change, along with a brief description and the text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission.

it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-79034; File No. SR-NYSEArca-2016-134]

Self-Regulatory Organizations; NYSE Arca, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Rule 7.16P

October 4, 2016.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (the “Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on September 26, 2016, NYSE Arca, Inc. (the “Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 7.16P. The proposed rule change is available on the Exchange’s Web site at www.nyse.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend Rule 7.16P (Short Sales). Specifically, the Exchange proposes to amend Rule 7.16P(f)(5)(G) regarding the treatment of

an Intermarket Sweep Order (“ISO”)⁴ designated Immediate-or-Cancel (“IOC”) during a Short Sale Period.⁵ Rule 7.16P(f)(5)(F) currently provides that during a Short Sale Period, IOC orders will be traded to the extent possible at a Permitted Price⁶ and higher and then cancelled, and the working price will not be adjusted.⁷ An IOC ISO with a limit price at or below the NBB, on the other hand, is treated unlike an IOC order during a Short Sale Period and similar to a Day ISO. Rule 7.16P(f)(5)(G) currently provides that a Day ISO will be rejected if the limit price is at or below the NBB. The Exchange proposes to amend Rule 7.16P(f)(5)(G) to specify that an IOC ISO and a Day ISO are both handled in a similar manner by the Exchange. The Exchange proposes to make this change by deleting the word “Day” from Rule 7.16P(f)(5)(G).⁸ Given that during a Short Sale Period, an IOC ISO and a Day ISO are both treated in a similar manner, the Exchange believes the proposed change will provide specificity to the Exchange’s rules that during a Short Sale Period, all ISOs will be rejected if the limit price is at or below the NBB.

2. Statutory Basis

The proposed rule change is consistent with Section 6(b) of the Act,⁹ in general, and furthers the objectives of Section 6(b)(5),¹⁰ in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

Specifically, the Exchange believes that the proposed rule change would promote just and equitable principles of

⁴ An ISO is a Limit Order that does not route and meets the requirements of Rule 600(b)(30) of Regulation NMS. See Rule 7.31P(e)(3).

⁵ Short Sale Period is the period of time that the Short Sale Price Test remains in effect if the Short Sale Price Test is triggered by the listing market with respect to a covered security. See Rule 7.16P(f)(4).

⁶ Permitted Price is the working price and/or display price adjusted one minimum price increment above the current NBB for short sale orders during a Short Sale Period that have a working price and/or display price equal to or lower than the NBB. See Rule 7.16P(f)(5)(A).

⁷ See Rule 7.16P(f)(5)(F).

⁸ The Exchange proposes a non-substantive amendment to delete the term “Order” in Rule 7.16P(f)(5)(G) as such term is redundant of the term ISO, which includes the term “Order.”
