Section 73.3555 states that in order to overcome the negative presumption set forth in 47 CFR Section 73.3555(d)(4) with respect to the combination of a major newspaper and television station, the applicant must show by clear and convincing evidence that the co-owned major newspaper and station will increase the diversity of independent news outlets and increase competition among independent news sources in the market, and the factors set forth in 47 CFR Section 73.3555(d)(5) will inform this decision. (OMB approval was previously received for the information collection requirements contained in this rule section (waiver showings/ filings)).
