

in the household most likely to seek CPS information and pursue hands-on instruction on CRS use at an inspection station, and therefore the most appropriate respondent for this survey. Each respondent would complete a single survey; there will be no request for additional follow-up information or response.

Estimated Total Annual Burden: The total respondent burden for this data collection would be 990 hours. NHTSA will contact a maximum of 32,000 households via an invitation letter to obtain 1,400 completed interviews. Of the 32,000 households contacted, NHTSA estimates that 7,680 potential respondents would log onto the Web site and take a 5 minute eligibility screener for an estimated burden of 640 hours. Of those who take the eligibility screener, NHTSA estimates that 1,400 would complete the full survey, which would average 15 minutes in length, for an estimated burden of 350 hours.

Department of the Treasury, issued a final rule under the authority of section 5318A of Title 31, United States Code, to impose a special measure against Banco Delta Asia, including its subsidiaries Delta Asia Credit Limited and Delta Asia Insurance Limited. FinCEN has determined that Banco Delta Asia is a financial institution of primary money laundering concern, and that the imposition of the special measure selected—prohibiting domestic financial institutions from maintaining foreign correspondent accounts with Banco Delta Asia—is a necessary step to ensure the Bank is not able to access the U.S. financial system for terrorist financing or money laundering, or for any other criminal purpose. The collection of information in the rule relates to both disclosure and recordkeeping by and for domestic financial institutions.

Affected Public: Businesses or other for-profits.
