SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on December 17, 2015, based on a complaint filed on behalf of Belkin International, Inc. of Playa Vista, California ("Complainant"). 80 FR 78763-64 (December 17, 2015). The complaint alleges violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the sale for importation, importation, or sale within the United States after importation of certain computer cables, chargers, adapters, peripheral devices and packaging containing the same by reason of infringement of one or more of U.S. Trademark Registration No. 2,339,459; U.S. Trademark Registration No. 2,339,460; U.S. Trademark Registration No. 4,168,379; and U.S. Trademark Registration No. 4,538,212.

The Commission's notice of investigation named the following respondents: Dongguan Pinte Electronic Co., Ltd., of Dongguan City, China; and Dongguan Shijie Fresh Electronic Products Factory, of Dongguan City, China (collectively "Respondents"). The Office of Unfair Import Investigations ("OUII") was named as a party.

On August 8, 2016, the Commission determined not to review an initial determination finding the Respondents in default and requested briefing from the parties and the public on the issues of remedy, the public interest, and bonding. 81 FR 53505-06 (Aug. 12, 2016).

Complainant filed a submission requesting a limited exclusion order ("LEO") against the Respondents, arguing that none of the public interest factors weigh against granting an LEO. Complainant asserts that there are several competitors in the market and complainant can fulfill any increased demand. No public interest submissions were filed by the public. Complainant requested that Respondents either should not be afforded the opportunity to import during the period of Presidential review, or in the alternative, that the bond be set at 100 percent of entered value in accordance with the Commission practice for defaulting respondents. OUII supported the Complainant's requested relief, including imposition of 100 percent bond.

The Commission finds that the statutory requirements for relief under section 337(g)(1), (19 U.S.C. 1337(g)(1)) are met with respect to the Respondents. In addition, the Commission finds that the public interest factors enumerated in section 337(g)(1) do not preclude issuance of the statutory relief.

The Commission has determined that the appropriate remedy in this investigation is an LEO prohibiting the unlicensed entry of certain computer cables, chargers, adapters, peripheral devices and packaging containing the same that are manufactured abroad by or on behalf of, or imported by or on behalf of, Respondents that infringe one or more of U.S. Trademark Registration Nos. 2,339,459; 2,339,460; 4,168,379; and 4,538,212.

Finally, the Commission has determined that the bond during the period of Presidential review pursuant to 19 U.S.C. 1337(j) shall be in the amount of 100 percent of the entered value of the imported articles that are subject to the LEO. The Commission's orders were delivered to the President and to the United States Trade Representative on the day of their issuance.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.

Issued: October 13, 2016.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on March 4, 2016, based on a complaint and supplements filed on behalf of

Stryker Corporation (“complainant”) of Kalamazoo, Michigan. 81 *FR* 11590 (March 4, 2016). The complaint as supplemented alleges violations of Section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, in the sale for importation, importation, or sale within the United States after importation of certain hospital beds, and components thereof by reason of infringement of certain claims of U.S. Patent No. 7,082,630; U.S. Patent No. 7,690,059 (“the ‘059 patent”); U.S. Patent No. 7,784,125; and U.S. Patent No. 8,701,229 (“the ‘229 patent”). The complaint further alleges that an industry in the United States exists as required by subsection (a)(2) of section 337. The complaint names Umano Medical Inc. of Quebec, Canada and Umano Medical World Inc. of Quebec, Canada as respondents. The Office of Unfair Import Investigations is not a party in the investigation.

On September 2, 2016, the parties filed a joint motion to terminate the investigation based on settlement. The parties provided confidential and non-confidential versions of the settlement agreement and represented that there are no other agreements, written or oral, express or implied, between the Settling Parties concerning the subject matter of this Investigation.

On September 13, 2016, the ALJ granted the joint motion. Order No. 10. The ALJ found that all of the requirements of Commission Rule 210.21(a)–(b), 19 CFR 210.21(a)–(b), had been met and that there were no public interest concerns that would weigh against termination. No petitions for review were filed.

The Commission has determined not to review the subject ID.

The authority for the Commission’s determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in Part 210 of the Commission’s Rules of Practice and Procedure (19 CFR part 210).

By order of the Commission.
