The Office of the Assistant Legal Adviser for Private International Law, Department of State, gives notice of a public meeting to discuss ongoing work in the United Nations Commission on International Trade Law (UNCITRAL) related to the recognition and enforcement of insolvency-derived judgments and the insolvency of cross-border enterprise groups. The public meeting will take place on Tuesday, November 22, 2016 from 9:30 a.m. until 12:00 p.m. EST. This is not a meeting of the full Advisory Committee.

For its last several sessions, UNCITRAL's Working Group V has been focused on two projects: A model law on the recognition and enforcement of insolvency-related judgments, and model legislative provisions that would assist courts in addressing the cross-border insolvency of enterprise groups. In December 2016, Working Group V will continue to discuss the draft texts for both projects. Along with documents from past sessions, the Secretariat papers for the December session will be made available at http://www.uncitral.org/uncitral/en/commission/working_groups/5Insolvency.html.

The purpose of the public meeting is to obtain the views of concerned stakeholders on updated drafts prepared by the UNCITRAL Secretariat on both topics: The recognition and enforcement of insolvency-related judgments and the insolvency of cross-border enterprise groups.

Time and Place: The meeting will take place on November 22, 2016, from 9:30 a.m. until 12:00 p.m. via a teleconference. Those who cannot participate but wish to comment are welcome to do so by email to Tim Schnabel at SchnabelTR@state.gov.

SUPPLEMENTARY INFORMATION:

Binational Panel Reviews Under NAFTA Chapter 19

Article 1904 of the NAFTA provides that a party involved in an AD/CVD proceeding may obtain review by a binational panel of a final AD/CVD determination of one NAFTA Party with respect to the products of another NAFTA Party. Binational panels decide whether AD/CVD determinations are in accordance with the domestic laws of the importing NAFTA Party using the standard of review that would have been applied by a domestic court of the importing NAFTA Party. A panel may uphold the AD/CVD determination, or may remand it to the national administering authority for action not inconsistent with the panel's decision. Panel decisions may be reviewed in specific circumstances by a three-member extraordinary challenge committee, selected from a separate roster composed of 15 current or former judges.

Article 1903 of the NAFTA provides that a NAFTA Party may refer an amendment to the AD/CVD statutes of another NAFTA Party to a binational panel for a declaratory opinion as to whether the amendment is inconsistent with the General Agreement on Tariffs and Trade (GATT), the GATT Antidumping or Subsidies Codes, successor agreements, or the object and purpose of the NAFTA with regard to the establishment of fair and predictable conditions for the liberalization of trade. If the panel finds that the amendment is inconsistent, the two NAFTA Parties must consult and seek to achieve a mutually satisfactory solution.

Chapter 19 Roster and Composition of Binational Panels

Annex 1901.2 of the NAFTA provides for the maintenance of a roster of at least 75 individuals for service on Chapter 19 binational panels, with each NAFTA Party selecting at least 25 individuals. A separate five-person panel is formed for each review of a final AD/CVD determination or statutory amendment. To form a panel, the two NAFTA Parties involved each appoint two panelists, normally by drawing upon individuals from the roster. If the Parties cannot agree upon the fifth panelist, one of the Parties, decided by lot, selects the fifth
