

Tianhe certified that it is both the producer and exporter of the subject merchandise upon which the request was based.³

Pursuant to section 751(a)(2)(B)(i)(I) of the Act and 19 CFR 351.214(b)(2)(i), Jingzhou Tianhe certified that it did not export subject merchandise to the United States during the period of investigation (POI).⁴ In addition, pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Jingzhou Tianhe certified that, since the initiation of the investigation, it has never been affiliated with any exporter or producer who exported subject merchandise to the United States during the POI, including those respondents not individually examined during the POI.⁵ As required by 19 CFR 351.214(b)(2)(iii)(B), Jingzhou Tianhe also certified that its export activities were not controlled by the government of the PRC.⁶

In addition to the certifications described above, pursuant to 19 CFR 351.214(b)(2), Jingzhou Tianhe submitted documentation establishing the following: (1) The date on which it first shipped subject merchandise for export to the United States; (2) the volume of its first shipment; and (3) the date of its first sale to an unaffiliated customer in the United States.⁷

Period of Review

In accordance with 19 CFR 351.214(g)(1)(i)(A), the period of review (POR) for a NSR initiated in the month immediately following the anniversary month will be the twelve-month period immediately preceding the anniversary month. Therefore, the POR for this NSR is September 1, 2015, through August 31, 2016.

Initiation of New Shipper Review

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(b), we find that the request from Jingzhou Tianhe meets the threshold requirements for initiation of a NSR for shipments of freshwater crawfish tail meat from the PRC produced and exported by Jingzhou Tianhe.⁸

On February 24, 2016, the President signed into law the "Trade Facilitation and Trade Enforcement Act of 2015," H.R. 644, which made several amendments to section 751(a)(2)(B) of the Act. We will conduct this NSR in accordance with section 751(a)(2)(B) of the Act, as amended by the Trade Facilitation and Trade Enforcement Act of 2015.⁹

Unless extended, the Department intends to issue the preliminary results of this NSR no later than 180 days from the date of initiation and final results of the review no later than 90 days after the date the preliminary results are issued.¹⁰

It is the Department's usual practice, in cases involving non-market economy countries, to require that a company seeking to establish eligibility for an antidumping duty rate separate from the country-wide rate provide evidence of *de jure* and *de facto* absence of government control over the company's export activities. Accordingly, we will issue a questionnaire to Jingzhou Tianhe which will include a section requesting information concerning its eligibility for a separate rate. We will rescind the NSR of Jingzhou Tianhe if we determine that Jingzhou Tianhe has not demonstrated that it is eligible for a separate rate.

Because Jingzhou Tianhe certified that it produced and exported subject merchandise, the sale of which is the basis for the request for a NSR, we will instruct CBP to continue to suspend liquidation of all entries of subject merchandise produced and exported by Jingzhou Tianhe.

To assist in its analysis of the *bona fides* of Jingzhou Tianhe's sales, upon initiation of this NSR, the Department will require Jingzhou Tianhe to submit on an ongoing basis complete transaction information concerning any sales of subject merchandise to the United States that were made subsequent to the POR.

Interested parties requiring access to proprietary information in the NSR should submit applications for disclosure under administrative protective order, in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are published in accordance with section

⁹ Notably, the Trade Facilitation and Trade Enforcement Act of 2015 removed from section 751(a)(2)(B) of the Act the provision directing the Department to instruct U.S. Customs and Border Protection (CBP) to allow an importer the option of posting a bond or security in lieu of a cash deposit during the pendency of an NSR.

⁴ We corrected a programming error in the margin calculation we included in the *Preliminary Results*. Assessment Rates

In accordance with 19 CFR 351.212 and the *Final Modification*,⁵ the Department will instruct U.S. Customs and Border Protection (CBP) to liquidate all appropriate entries for Euro SME without regard to antidumping duties. For entries of subject merchandise during the POR produced by Euro SME for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction. We intend to issue instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of PRCBs from Malaysia entered, or withdrawn from warehouse, for consumption on or after the date of publication as provided by section 751(a)(2) of the Act: (1) The cash deposit rate for Euro SME will be 0.00 percent, the rate established in the final results of this administrative review; (2) for merchandise exported by manufacturers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which that manufacturer or exporter participated; (3) if the exporter is not a firm covered in this review, a prior review, or the original investigation but the manufacturer is, the cash deposit rate will be the rate established for the manufacturer of the merchandise for the most recently completed segment of this proceeding for the manufacturer of the merchandise; (4) the cash deposit rate for all other manufacturers or exporters will continue to be 84.94 percent.⁶ These cash deposit requirements, when imposed, shall remain in effect until further notice.
