Needs and Uses: 47 CFR 76.54(b) states significant viewing in a cable television or satellite community for signals not shown as significantly viewed under 47 CFR 76.54(a) or (d) may be demonstrated by an independent professional audience survey of over-the-air television homes that covers at least two weekly periods separated by at least thirty days but no more than one of which shall be a week between the months of April and September. If two surveys are taken, they shall include samples sufficient to assure that the combined surveys result in an average figure at least one standard error above the required viewing level.

47 CFR 76.54(c) is used to notify interested parties, including licensees or permittees of television broadcast stations, about audience surveys that are being conducted by an organization to demonstrate that a particular broadcast station is eligible for significantly viewed status under the Commission's rules. The notifications provide interested parties with an opportunity to

review survey methodologies and file objections.

47 CFR 76.54(e) and (f), are used to notify television broadcast stations about the retransmission of significantly viewed signals by a satellite carrier into these stations' local market.

Federal Communications Commission.

BILLING CODE P

FEDERAL FINANCIAL INSTITUTIONS EXAMINATION COUNCIL

[Docket No. FFIEC-2016-0003]

Uniform Interagency Consumer Compliance Rating System

AGENCY: Federal Financial Institutions Examination Council (FFIEC).

ACTION: Notice; final guidance.

SUMMARY: The Federal Financial Institutions Examination Council (FFIEC), on behalf of its members, is revising the Uniform Interagency Consumer Compliance Rating System, more commonly known as the CC Rating System. The agencies comprising the FFIEC are the Board of Governors of the Federal Reserve System (FRB), the Consumer Financial Protection Bureau (CFPB), the Federal Deposit Insurance Corporation (FDIC), the National Credit Union Administration (NCUA), the Office of the Comptroller of the Currency (OCC), and the State Liaison Committee (SLC) (Agencies). The FFIEC promotes compliance with federal consumer protection laws and regulations through each agency's supervisory and outreach programs.

The CC Rating System revisions reflect the regulatory, examination (supervisory), technological, and market changes that have occurred in the years since the original rating system was established in 1980. The revisions are designed to better reflect current consumer compliance supervisory approaches and to more fully align the CC Rating System with the Agencies' current risk-based, tailored examination processes. The CC Rating System is being published after consideration of comments received from the public.

DATES: Effective March 31, 2017.
