**SUPPLEMENTARY INFORMATION:**

**Background**

As noted above, the Department published the *Preliminary Results* on May 13, 2016.<sup>1</sup> In accordance with 19 CFR 351.309, we invited parties to comment on our *Preliminary Results*. Between June 20, 2016, and June 27, 2016, Vulcan Threaded Products Inc. (“Petitioner”), the RMB/IFI Group, and New Oriental submitted case and rebuttal briefs. On August 10, 2016, the Department extended the deadline for the final results to November 14, 2016.<sup>2</sup>

**Scope of the Order**

The merchandise covered by the order includes steel threaded rod. The subject merchandise is currently classifiable under subheading 7318.15.5051, 7318.15.5056, 7318.15.5090, and 7318.15.2095 of the United States Harmonized Tariff Schedule (“HTSUS”). Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of the order, which is contained in the accompanying Issues and Decision Memorandum (“I&D Memo”), is dispositive.<sup>3</sup>

<sup>1</sup> See *Certain Steel Threaded Rod From the People’s Republic of China: Preliminary Results and Partial Rescission of the Antidumping Duty Administrative Review; 2014–2015*, 81 FR 29843 (May 13, 2016) (“*Preliminary Results*”) and accompanying Preliminary Decision Memorandum.

<sup>2</sup> See Memorandum to Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, through James Doyle, Office Director, from Julia Hancock, Senior International Trade Compliance Analyst, “Certain Steel Threaded Rod From the People’s Republic of China: Extension of Deadline for Final Results of Antidumping Duty Administrative Review” (August 10, 2016).

<sup>3</sup> For a full description of the scope of the order, see Memorandum from Christian Marsh, Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, to Paul Piquado, Assistant Secretary for Enforcement and Compliance, “Issues and Decision Memorandum for the Final Results of the Sixth Administrative Review of the Antidumping Duty Order on Certain Steel Threaded Rod From the People’s Republic of China” (November 14, 2015) (“I&D Memo”).

**Analysis of Comments Received**

We addressed all issues raised in the case and rebuttal briefs by parties in this review in the I&D Memo. Attached to this notice, in Appendix I, is a list of the issues which parties raised. The I&D Memo is a public document and is on file in the Central Records Unit (“CRU”), Room B8024 of the main Department of Commerce building, as well as electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (“ACCESS”). ACCESS is available to registered users at <http://access.trade.gov> and in the CRU. In addition, a complete version of the I&D Memo can be accessed directly on the internet at <http://enforcement.trade.gov/frn/index.html>. The signed I&D Memo and the electronic versions of the I&D Memo are identical in content.

**Changes Since the Preliminary Results**

Based on our review of the record and comments received from interested parties regarding our *Preliminary Results*, we have now recalculated a dumping margin based on revisions to the surrogate financial ratios and changes to the calculation methodology regarding treatment of New Oriental’s cost, insurance, and freight (“CIF”) sales. For a list of all issues addressed in these final results, please refer to Appendix I accompanying this notice.

**PRC-Wide Entity**

The Department continues to find that the following six companies subject to this review that are not eligible for separate rate status or rescission are part of the PRC-wide entity: Brother Holding Group Co., Ltd.; Jiaxing Xinyue Standard Part Co., Ltd.; Zhejiang Heiter Industries Co., Ltd.; Zhejiang Heiter MFG & Trade Co., Ltd.; Zhejiang Junyue Standard Part Co., Ltd.; and Zhejiang Morgan Brother Technology Co., Ltd.
