A. Overview of Information Collection

Title of Information Collection: Disaster Recovery Grant Reporting System.

OMB Approval Number: 2506-0165.
Type of Request: Revision of currently approved collection.

Form Number: SF-424 Application for Federal Assistance.

Description of the need for the information and proposed use: Disaster Recovery Grant Reporting (DRGR) System is a grants management system used by the Office of Community Planning and Development to monitor special appropriation grants under the Community Development Block Grant program. This collection pertains to Community Development Block Grant Disaster Recovery (CDBG-DR), Neighborhood Stabilization Program (NSP), Rural Capacity Building (RCB) for Community Development, and Affordable Housing Capacity Building for Affordable Housing and Community Development Program (Section 4 program) grant appropriations.

The CDBG program is authorized under Title I of the Housing and Community Development Act of 1974, as amended. Following major disasters, Congress appropriates supplemental CDBG funds for disaster recovery. According to Section 104(e)(1) of the Housing and Community Development Act of 1974, HUD is responsible for reviewing grantees' compliance with applicable requirements and their continuing capacity to carry out their programs. Grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute, based on their unmet disaster recovery needs.

The Rural Capacity Building (RCB) Program enhances the capacity and ability of local governments, Indian tribes, housing development organizations, rural Community Development Corporations (CDCs), and

rural Community Housing Development Organizations (CHDOs), to carry out community development and affordable housing activities that benefit low- and moderate-income families and persons in rural areas. The original authorizing statute for the RCB program is the Consolidated and Further Continuing Appropriations Act, 2012, Public Law 112-55.

The Capacity Building for Affordable Housing and Community Development Program, also known as the Section 4 program, was originally authorized under Section 4 of the HUD Demonstration Act of 1993 (Pub. L. 103-120, 107 Stat. 1148, 42 U.S.C. 9816 note), as amended. The program enhances the capacity and ability of community development corporations (CDCs) and community housing development organizations (CHDOs) to carry out community development and affordable housing activities that benefit low-income persons.

Respondents: DRGR is used to monitor CDBG-DR, NSP, NSP-TA, RCB and Section 4 grants, as well as several programs that do not fall under the Office of Block Grant Assistance. Separate information collections have been submitted and approved for these programs. CDBG-DR and NSP grant funds are made available to states and units of general local government, Indian tribes, and insular areas, unless provided otherwise by supplemental appropriations statute. NSP-TA grant funds are awarded on a competitive basis and are open to state and local governments, as well as non-profit groups and consortia that may include for-profit entities. RCB grants are competitively awarded to local governments, Indian tribes, housing development organizations, rural Community Development Corporations (CDCs), and rural Community Housing Development Organizations (CHDOs). Section 4 grant funds are directly awarded to grantees designated in the authorizing statute and subsequent appropriations.
