When an Aggregated Harvest Report is used, the importer must provide all of the information under this paragraph (b)(3). Some product offered for entry may be comprised of products from more than one harvest event and each such harvest event relevant to the contents of the shipment must be documented; however, specific links between portions of the shipment and a particular harvest event are not required.

(4) The NMFS-issued IFTP number for the importer of record.

(c) The importer of record, either directly or through an entry filer, is required to submit the data under paragraph (b) of this section through ACE as a message set and/or image files in conformance with the procedures and formats prescribed by the NMFS Implementation Guide and CBP and made available at: <http://www.cbp.gov/trade/ace/catair>. (e) In addition to the entry recordkeeping requirements specified at 19 CFR part 163 and § 300.323(b), the importer of record is required to maintain records containing information on the chain of custody of the fish or fish products sufficient to trace the fish or fish product from point of entry into U.S. commerce back to the point of harvest, including individual or Aggregated Harvest Reports, if any, and information that identifies each custodian of the fish or fish product

(such as any transshipper, processor, storage facility or distributor). The latter may include widely used commercial documents such as declarations by the harvesting/carrier vessels or bills of lading. The importer must retain such chain-of-custody records in electronic or paper format, and make them available for inspection, at the importer's/exporter's place of business for a period of two years from the date of the import.

Background

This document contains amendments to the Income Tax Regulations (26 CFR part 1) on the arbitrage investment restrictions under section 148 of the Internal Revenue Code (Code). On June 18, 1993, the Department of the Treasury (Treasury Department) and the IRS published comprehensive final regulations in the **Federal Register** (TD 8476, 58 FR 33510) on the arbitrage investment restrictions and related provisions for tax-exempt bonds under sections 103, 148, 149, and 150. Since that time, those final regulations have been amended in various limited respects, including most recently in final regulations published in the **Federal Register** (TD 9777, 81 FR 46582) on July 18, 2016 (the regulations issued in 1993 and the various amendments thereto are collectively referred to as the Existing Regulations).

A notice of proposed rulemaking was published in the **Federal Register** (78 FR 56842; REG–148659–07) on
