Information Collection Request Title: Application for waiver of the two-year foreign residence requirement of the Exchange Visitor Program.

OMB No.: 0990-0001.

Abstract: The Department of Health and Human Services, Office of Global

Affairs, OGA is seeking an approval on an extension by OMB on a previously approved information collection request. The OGA program deals with both research and clinical care waivers. Applicant institutions apply to HHS to request a waiver on behalf of research scientists or foreign medical graduates to work as clinicians in HHS designated health shortage areas doing primary care in medical facilities. The instructions request a copy of Form G-28 from applicant institutions represented by legal counsel outside of the applying institution. United States Department of Justice Form G-28 ascertains that legal counsel represents both the applicant organization and the exchange visitor.

Need and Proposed Use of the Information: Required as part of the application process to collect basic information such as name, address, family status, sponsor and current visa information.

Likely Respondents: Research scientists and research facilities.
