DEPARTMENT OF HOMELAND SECURITY

U.S. Customs and Border Protection

Quarterly IRS Interest Rates Used in Calculating Interest on Overdue Accounts and Refunds on Customs Duties

AGENCY: U.S. Customs and Border Protection, Department of Homeland Security.

ACTION: General notice.

SUMMARY: This notice advises the public that the quarterly Internal Revenue Service interest rates used to calculate interest on overdue accounts (underpayments) and refunds (overpayments) of customs duties will remain the same from the previous quarter. For the calendar quarter beginning October 1, 2016, the interest rates for overpayments will be 3 percent for corporations and 4 percent for non-corporations, and the interest rate for underpayments will be 4 percent for both corporations and non-corporations. This notice is published for the convenience of the importing public and U.S. Customs and Border Protection personnel.

DATES: *Effective Date:* October 1, 2016.

FOR FURTHER INFORMATION CONTACT: Kara N. Welty, Revenue Division, Collection and Refunds Branch, 6650 Telecom Drive, Suite #100, Indianapolis, Indiana 46278; telephone (317) 614–4614.

SUPPLEMENTARY INFORMATION:

Background

Pursuant to 19 U.S.C. 1505 and Treasury Decision 85–93, published in the **Federal Register** on May 29, 1985 (50 FR 21832), the interest rate paid on applicable overpayments or underpayments of customs duties must be in accordance with the Internal Revenue Code rate established under 26 U.S.C. 6621 and 6622. Section 6621 provides different interest rates applicable to overpayments: One for corporations and one for non-corporations.

The interest rates are based on the Federal short-term rate and determined by the Internal Revenue Service (IRS) on

behalf of the Secretary of the Treasury on a quarterly basis. The rates effective for a quarter are determined during the first-month period of the previous quarter.

In Revenue Ruling 2016–23, the IRS determined the rates of interest for the calendar quarter beginning October 1, 2016, and ending on December 31, 2016. The interest rate paid to the Treasury for underpayments will be the Federal short-term rate (1%) plus three percentage points (3%) for a total of four percent (4%) for both corporations and non-corporations. For corporate overpayments, the rate is the Federal short-term rate (1%) plus two percentage points (2%) for a total of three percent (3%). For overpayments made by non-corporations, the rate is the Federal short-term rate (1%) plus three percentage points (3%) for a total of four percent (4%). These interest rates are subject to change for the calendar quarter beginning January 1, 2017, and ending March 31, 2017.

For the convenience of the importing public and U.S. Customs and Border Protection personnel the following list of IRS interest rates used, covering the period from before July of 1974 to date, to calculate interest on overdue accounts and refunds of customs duties, is published in summary format.

BILLING CODE 9111–14–P

DEPARTMENT OF HOMELAND SECURITY

Agency Information Collection Activities: DHS Civil Rights Compliance Form

AGENCY: Office for Civil Rights and Civil Liberties, DHS.

ACTION: 30-Day notice and request for comments; new collection, 1601–NEW.

SUMMARY: The Department of Homeland Security (DHS), Office for Civil Rights and Civil Liberties, will submit the following Information Collection Request (ICR) to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995. DHS previously published this information collection request (ICR) in the **Federal Register** on Thursday, September 22, 2016 at 81 FR 65390 for a 60-day public comment period. Five comments were received by DHS. The purpose of this notice is to allow an additional 30 days for public comments.

DATES: Comments are encouraged and will be accepted until January 13, 2017. This process is conducted in accordance with 5 CFR 1320.1.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to OMB Desk Officer, Department of Homeland Security and sent via electronic mail to *oira_submission@omb.eop.gov* or faxed to (202) 395–5806.

SUPPLEMENTARY INFORMATION: Recipients of Federal financial assistance from DHS are required to meet certain legal requirements relating to nondiscrimination and nondiscriminatory use of Federal funds. Those requirements include ensuring that entities receiving Federal financial assistance from DHS do not deny benefits or services, or otherwise discriminate on the basis of race, color, national origin, disability, age, or sex, in accordance with the following authorities: Title VI of the Civil Rights Act of 1964 (Title VI) Public Law 88–352, 42 U.S.C. 2000d–1 *et seq.,* and the Department's implementing regulation, 6 CFR part 21 and 44 CFR part 7; Section 504 of the Rehabilitation Act of 1973 (Sec. 504), Public Law 93–112, as amended by Public Law 93–516, 29 U.S.C. 794; Title IX of the Education Amendments of 1972 (Title IX), 20 U.S.C. 1681 *et seq.,* and the Department's implementing regulations, 6 CFR part 17, and 44 CFR part 19; Age Discrimination Act of 1975, Public Law 94–135, 42 U.S.C. 6101 *et seq.,* and the Department implementing regulation at 44 CFR part 7. The aforementioned civil rights authorities also prohibit retaliatory acts against individuals for participating or opposing discrimination in a complaint, investigation, or other proceeding related to prohibited discrimination.

DHS has an obligation to enforce nondiscrimination requirements to ensure that its Federally-assisted programs and activities are administered in a nondiscriminatory manner. In order to carry out its enforcement responsibilities, DHS must obtain a signed assurance of compliance and collect and review information from recipients to ascertain their compliance with applicable requirements. DHS implementing regulations and the Department of Justice (DOJ) regulation Coordination of Non-discrimination in Federally Assisted Program, 28 CFR part 42, provide for the collection of data and information from recipients (see 28 CFR 42.406).

DHS has developed the DHS Civil Rights Compliance Form as the primary tool to implement this information collection. The purpose of the information collection is to advise recipients of their civil rights obligation; obtain an assurance of compliance from each recipient, and collect pertinent civil rights information to ascertain if the recipient has in place adequate policies and procedures to achieve compliance, and to determine what, if any, further action may be needed (technical assistance, training, compliance review, etc.) to ensure the recipient is in compliance and will carry out its programs and activities in a nondiscriminatory manner. DHS will make available sample policies and procedures to assist recipients in completing Section 4 of the Form, and providing technical assistance directly to recipients as needed.

DHS will use the DHS Civil Rights Compliance Form to collect civil rights related information from all primary recipients of Federal financial assistance from the Department. Primary recipients are non-federal entities that receive Federal financial assistance in the form of a grant, cooperative agreement, or other type of financial assistance directly from the Department and not through another recipient or ''pass-through'' entity. This information collection does not apply to sub-recipients, Federal contractors (unless the contract includes the provision of financial assistance), nor the ultimate beneficiaries of services, financial aid, or other benefits from the Department. Recipients will be required to provide the information once every two years, not every time a grant is awarded. Entities whose award does not run a full two years are required to provide the information again if they receive a subsequent award more than two (2) years after the prior award. In responding to Section 4: Required Information, which contains the bulk of the information collection, if the recipient's responses have not changed in the two year period since their initial submission, the recipient does not need to resubmit the information. Instead, the recipient will indicate ''no change'' for each applicable item. DHS will require recipients to submit their completed forms and supporting information electronically, via email, to the Department, in an effort to minimize administrative burden on the recipient and the Department. DHS anticipates that records or files that will be used to respond to the information collection are already maintained in electronic format by the recipient, so providing the information electronically will further minimize administrative burden. DHS will allow recipients to scan and submit documents that are not already maintained electronically. If the recipient is unable to submit their information electronically, alternative arrangements will be made to submit responses in hard copy.

There are no confidentiality assurances associated with this collection. The system of record notices associated with this information collection are: DHS/ALL–029—Civil Rights and Civil Liberties Records, (July 8, 2010, 75 FR 39266) and DHS/ALL–016—Department of Homeland Security Correspondence Records, (November 10, 2008, 73 FR 66657).

This is a new information collection. The Office of Management and Budget is particularly interested in comments which:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
