**45 CFR Part 1324**

**RIN 0985–AA08**

**State Long-Term Care Ombudsman Programs**

**AGENCY:** Administration on Aging, Administration for Community Living, HHS.

**ACTION:** Final rule; correction and correcting amendments.

**SUMMARY:** In the February 11, 2015 *Federal Register*, we published a final rule in order to implement provisions of the Older Americans Act (the Act) regarding States’ Long-Term Care Ombudsman programs (Ombudsman programs). The effective date was July 1, 2016. This correcting amendment corrects a limited number of technical and typographical errors identified in the February 11, 2015 final rule.

**DATES:** This correcting document is effective December 19, 2016.

**FOR FURTHER INFORMATION CONTACT:** Becky Kurtz, Director, Office of Long-Term Care Ombudsman Programs, Administration for Community Living, Administration on Aging, Atlanta Federal Center, 61 Forsyth Street SW., Suite 5M69, Atlanta, Georgia 30303–8909, 404–562–7592.

**SUPPLEMENTARY INFORMATION:**

**I. Background**

In FR Doc. 2015–01914 of February 11, 2015 (80 FR 7704), the final rule entitled “State Long-Term Care Ombudsman Programs,” there were a number of technical and typographical errors that are identified and corrected in this correcting amendment. On July 1, 2016, those provisions of the final rule which had been originally codified as 45 CFR part 1327 were re-numbered as 45 CFR parts 1324 in FR Doc. 2016–13138 (81 FR 35644). The remaining provisions (originally codified as amendments to 45 CFR part 1321) remain unchanged. All of the provisions below refer to errors found in 45 CFR part 1324.

**II. Summary of Changes**

*A. Summary of Changes in the Regulations Text*

1. On page 7765, in the regulations text for § 1324.19(b)(5), we erroneously used the word “paragraph” instead of “through.” To correct this error, we have removed the word “paragraph” and replaced it with the word “through.”

2. On page 7765, in the regulations text for § 1324.19(b)(7)(i), we erroneously included the term “has no resident representative.” Since this situation (regarding the authority for the Ombudsman program to make a referral when a resident has “no resident representative”) is not needed in this paragraph and already provided for in § 1324.19(b)(6)(ii), the redundancy of this provision was in error. We believe elimination of this language will not change the requirements of this provision and will lessen confusion regarding its implementation.

The corrections to the errors summarized in this section appear in the regulations text of this correcting amendment.

**III. Waiver of Notice and Comment Procedure and Delay in Effective Date**

Under 5 U.S.C. 553(b) of the Administrative Procedure Act (APA), the agency is required to publish a notice of the proposed rule in the *Federal Register* before the provisions of a rule take effect. However, under section 553(b)(B) of the APA, an agency may dispense with normal rule-making requirements for good cause if the agency makes a finding that the notice and comment process is impracticable, unnecessary, or contrary to the public interest. We find that there is good cause to waive such requirements. We find that notice and comment is unnecessary because we are not altering our policies; rather, we are simply implementing correctly the policies that

we previously proposed, received comment on, and subsequently finalized.

In addition, section 553(d) of the APA mandates a 30-day delay in the effective date after issuance or publication of a rule. The section, however, creates an exception at section 553(d)(3) that allows the agency to avoid the 30-day delay in effective date when it has good cause and publishes it with the rule. We have found good cause to avoid the 30-day delay. As discussed above, this rule is merely a technical correction and makes no substantive changes to the rule. We believe the public is best served by having the final rule reflect these corrections as soon as possible.

#### List of Subjects for 45 CFR Part 1324

Administrative practice and procedure, Aged, Long-term care.

Accordingly, 45 CFR chapter XIII, subchapter C, is corrected by making the following correcting amendments to part 1324:

#### PART 1324—STATE LONG-TERM CARE OMBUDSMAN PROGRAMS

- 1. The authority citation for part 1324 continues to read as follows:

**Authority:** 42 U.S.C. 3001 *et seq.*; the Older Americans Act, as amended.

#### § 1324.19 [Amended]

- 2. Section 1324.19 is amended as follows:

- a. In paragraph (b)(5) by removing the word “paragraph” and adding in its place “through”; and
- b. In paragraph (b)(7)(i) by removing the words “has no resident representative, or”.

Dated: December 13, 2016.

**Madhura C. Valverde,**

*Executive Secretary to the Department,  
Department of Health and Human Services.*

## DEPARTMENT OF COMMERCE

### National Oceanic and Atmospheric Administration

#### 50 CFR Part 680

[Docket No. 160617541–6999–02]

RIN 0648–BG15

#### Fisheries of the Exclusive Economic Zone Off Alaska; Bering Sea and Aleutian Islands Crab Rationalization Program

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

**ACTION:** Final rule.

**SUMMARY:** NMFS issues regulations to implement Amendment 47 to the Fishery Management Plan for Bering Sea/Aleutian Islands King and Tanner Crabs (Crab FMP) and to make minor clarifications to regulations implementing the Crab FMP. This final rule addresses how individual processing quota (IPQ) use caps apply to the Bering Sea *Chionoecetes bairdi* Tanner crab fisheries: the eastern *C. bairdi* Tanner (EBT) and the western *C. bairdi* Tanner (WBT). This regulation exempts EBT and WBT IPQ crab that is custom processed at a facility through contractual arrangements with the processing facility owners from being applied against the IPQ use cap of the processing facility owners, thereby allowing a facility to process more crab without triggering the IPQ use cap. This exemption is necessary to allow all of the EBT and WBT Class A individual fishing quota crab to be processed at the facilities currently processing EBT and WBT crab, and will have significant positive economic effects on the fishermen, processors, and communities that participate in the EBT and WBT fisheries. This final rule is intended to promote the goals and objectives of the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), the Crab FMP, and other applicable law.

**DATES:** Effective January 19, 2017.

**ADDRESSES:** Electronic copies of Amendment 47 to the Crab FMP, the Regulatory Impact Review (RIR), Initial Regulatory Flexibility Analysis (IRFA), and the Categorical Exclusion prepared for this action are available from <http://www.regulations.gov> or from the NMFS Alaska Region Web site at <http://alaskafisheries.noaa.gov>.

The Environmental Impact Statement (Program EIS), RIR (Program RIR), Final Regulatory Flexibility Analysis (Program FRFA), and Social Impact Assessment prepared for the Crab Rationalization Program (Program) are available from the NMFS Alaska Region Web site at <http://alaskafisheries.noaa.gov>.

**FOR FURTHER INFORMATION CONTACT:**

Keeley Kent, 907–586–7228.

**SUPPLEMENTARY INFORMATION:** This final rule implements Amendment 47 to the Crab FMP and regulatory amendments to the Program. NMFS published a notice of availability for Amendment 47 in the **Federal Register** on September 13, 2016 (81 FR 62850). Comment on Amendment 47 was invited through

November 14, 2016. The Secretary approved Amendment 47 on December 6, 2016, after accounting for information from the public, and determining that Amendment 47 is consistent with the Crab FMP, the Magnuson-Stevens Act, and other applicable law. NMFS published the proposed rule to implement Amendment 47 on September 23, 2016 (81 FR 65615). The comment period on the proposed rule ended on October 24, 2016. NMFS received four comments. A summary of these comments and NMFS' responses are provided in the Comments and Responses section of this preamble.

This final rule modifies regulations that specify how IPQ use caps apply to IPQ issued for EBT and WBT crab fisheries. The following sections describe: (1) The Bering Sea and Aleutian Islands (BSAI) crab fisheries under the Program, (2) IPQ use caps and custom processing arrangements, and (3) this final rule.

#### The BSAI Crab Fisheries Under the Program

This section and the following section of the preamble provide a brief description of the Program, and the elements of the Program, that apply to Amendment 47 and this final rule. For a more detailed description of the Program as it relates to this final rule, please see Sections 2.5 and 2.6 of the RIR (see **ADDRESSES**) and the preamble of the proposed rule (81 FR 65615; September 23, 2016).

The Program was implemented on March 2, 2005 (70 FR 10174). The Program established a limited access privilege program for nine crab fisheries in the BSAI, including the EBT and WBT crab fisheries, and assigned quota share (QS) to persons based on their historic participation in one or more of those nine BSAI crab fisheries during a specific period. Under the Program, NMFS issued four types of QS: catcher vessel owner (CVO) QS was assigned to holders of License Limitation Program (LLP) licenses who delivered their catch to shoreside crab processors or to stationary floating crab processors; catcher/processor vessel owner QS was assigned to LLP license holders who harvested and processed their catch at sea; catcher/processor crew QS was issued to captains and crew on board catcher/processor vessels; and catcher vessel crew QS was issued to captains and crew on board catcher vessels. Each year, a person who holds QS may receive an exclusive harvest privilege for a portion of the annual total allowable catch, called individual fishing quota (IFQ).
