

Court's final judgment affirming the 2010–2011 AR Final Results constitutes the Court's final decision which is not in harmony with the 2010–2011 AR Final Results. This notice is published in fulfillment of the publication requirements of *Timken*. Accordingly, the Department will continue the suspension of liquidation of the subject merchandise pending a final and conclusive court decision.

Amended Final Results of Review

Because there is now a final court decision, the Department is amending the 2010–2011 AR Final Results with respect to Jiheng and Kangtai, as follows:

Exporter	Weighted-average margin percentage
Hebei Jiheng Chemical Co., Ltd.	31.22
Juancheng Kangtai Chemical Co., Ltd.	34.21

In the event the Court's ruling is not appealed or, if appealed, upheld by a final and conclusive court decision, the Department will instruct the U.S. Customs and Border Protection to assess antidumping duties on unliquidated entries of subject merchandise based on the revised rate the Department determined and listed above.

Cash Deposit Requirements

Because there have been subsequent administrative reviews for Jiheng and Kangtai, the case deposit rates will remain the rates established in the 2012–2013 Final Results, which are 0.00 percent respectively for both Jiheng and Kangtai.⁷
