

The Exchange believes that the proposed deletion of two references to Rule 123D in Section 202.06B of the Listed Company Manual is reasonable, equitable and not unfairly discriminatory because the references are obsolete. The proposed changes would result in the removal of obsolete text from the Listed Company Manual and therefore add greater clarity to the Listed Company Manual regarding halts in trading.

The Exchange believes that the proposed re-lettering of the remaining subsections of Rule 123D is reasonable, equitable and not unfairly discriminatory because the proposed change would add greater clarity to the Exchange's rule book.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed change is not designed to address any competitive issue but rather would streamline functionality, eliminate an unnecessary step, and streamline forms, thereby reducing confusion and making the Exchange's rules easier to understand and navigate.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act⁹ and Rule 19b-4(f)(6) thereunder.¹⁰ Because the proposed rule change does not: (i) significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

A proposed rule change filed under Rule 19b-4(f)(6)¹¹ normally does not become operative prior to 30 days after the date of the filing. However, pursuant to Rule 19b-4(f)(6)(iii),¹² the Commission may designate a shorter time if such action is consistent with the protection of investors and the public interest.

At any time within 60 days of the filing of such proposed rule change, the Commission may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)¹³ of the Act to determine whether the proposed rule change should be approved or disapproved.

Section 19(b)(2) of the Act¹⁷ provides that, after initiating disapproval proceedings, the Commission shall issue an order approving or disapproving the proposed rule change not later than 180 days after the date of publication of notice of filing of the proposed rule change. The Commission may extend the period for issuing an order approving or disapproving the proposed rule change, however, by not more than 60 days if the Commission determines that a longer period is appropriate and publishes the reasons for such determination. For proposed rule change SR-NYSEMKT-2016-52, January 3, 2017 and March 4, 2017 are 180 days and 240 days, respectively, from July 7, 2016, the date that the proposed rule change was published for notice and comment in the **Federal Register**. For proposed rule change SR-NYSEArca 2016-103, January 23, 2017, and March 24, 2017, are 180 days and 240 days, respectively from July 27, 2016, the date that the proposed rule change was published for comment in the **Federal Register**.

The Commission finds it appropriate to designate a longer period within which to issue an order approving or disapproving the proposed rule changes so that it has sufficient time to consider the proposed rule changes and the comments received.

Accordingly, the Commission, pursuant to Section 19(b)(2) of the Act¹⁸ designates, for SR-NYSEMKT-2016-52 and SR-NYSEArca-2106-103, March 4, 2017 and March 24, 2017, respectively, as the dates by which the Commission shall either approve or disapprove the proposed rule changes.
