

entries without regard to antidumping duties.¹⁶

For entries that were not reported in the U.S. sales data submitted by Keri Wood or Simate Wooden (if applicable), the Department intends to instruct CBP to liquidate such entries at the rate for the PRC-wide entity.¹⁷ The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future cash deposits of estimated antidumping duties, where applicable.

Cash Deposit Requirements

Effective upon publication of the final rescission of Simate Wooden's NSR, the Department will instruct CBP to discontinue the option of posting a bond or security in lieu of a cash deposit for entries of subject merchandise by Simate Wooden. If the Department proceeds to a final rescission of Simate Wooden's new shipper review, the cash deposit rate will continue to be the PRC-wide rate because the Department will not have determined individual dumping margins of for Simate Wooden. If the Department issues final results for Simate Wooden's NSR, the Department intends to instruct CBP to collect cash deposits, effective upon the publication of the final results, at the rates established therein.

However, for Keri Wood, the following cash deposit requirements will be effective upon publication of the final results of the new shipper reviews for shipments of the subject merchandise from the PRC entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For subject merchandise produced and exported by Keri Wood, the cash deposit rate will be that rate established in the final results of this new shipper review (except, if the rate is zero or *de minimis*, then a zero cash deposit will be required); (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific combination rate; (3) for all PRC exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the PRC-wide entity; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the

cash deposit rate will be the rate applicable to the PRC producer/exporter combination that supplied that non-PRC exporter. These deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during the POR. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification Regarding Administrative Protective Orders

This notice serves as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and the terms of an APO is a violation subject to sanction.

Notification to Interested Parties

These preliminary results are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.214 and 351.221(b)(4).

Dated: December 20, 2016.
