

organization in writing that such organization has been designated as an ecclesiastical endorsing organization. The designation will be for a period of 3 years from the date of notification. Once an organization is designated as an ecclesiastical endorsing organization, VA will accept ecclesiastical endorsements from that organization without requiring any further documentation from the organization during the 3 year period, unless VA receives evidence that an organization no longer meets the requirements of this section. VA will only take action on an initial request to designate an ecclesiastical endorsing official when VA receives an application from an individual who is seeking employment as a VA chaplain or is seeking to be engaged under VA contract or appointed as on-facility fee basis VA chaplains under 38 U.S.C. 7405.

(f) *Reporting requirement.* (1) To certify that VA chaplains continue to be endorsed by an ecclesiastical endorsing organization, such organization must provide VA an alphabetical listing of individuals who are endorsed by that endorsing organization and are employed as VA chaplains or are engaged by VA under contract or appointed as on-facility fee basis VA chaplains under 38 U.S.C. 7405 by January 1 of every calendar year.

(2) In order for VA to continue to recognize an ecclesiastical endorsing organization, such organization must provide written documentation that it continues to meet the requirements of this section every 3 years.

(g) *Rescission of ecclesiastical endorsing organization.* VA may rescind an organization's status as an ecclesiastical endorsing organization and refuse to accept ecclesiastical endorsements from such organization if it no longer meets the requirements of paragraph (c) of this section. VA will take the following steps before it rescinds the organization's status:

(1) VA will give the ecclesiastical endorsing organization written notice stating the reasons for the rescission and give the organization 60 days to provide a written reply addressing VA's concerns.

(2) VA will notify the ecclesiastical endorsing organization and all VA chaplains endorsed by the organization in writing of its decision after VA reviews the evidence provided by the organization or after the 60 day time period has expired, whichever comes first.

(3) Ecclesiastical endorsing organizations that are notified that they may no longer endorse individuals for VA chaplaincy because they do not

meet the requirements of paragraph (c) of this section must resubmit all of the evidence stated in paragraph (d) of this section in order to be reconsidered as an endorsing organization.

(4) If an ecclesiastical endorsing organization is no longer able to endorse individuals for VA chaplaincy in accordance with this section, all ecclesiastical endorsements issued by that organization are considered to be withdrawn.

POSTAL SERVICE

39 CFR Part 501

Revisions to the Requirements for Authority To Manufacture and Distribute Postage Evidencing Systems; Customized Postage Products

AGENCY: Postal Service.

ACTION: Proposed rule.

SUMMARY: The Postal Service proposes to amend its Postage Evidencing Systems regulations to add standardized requirements for the authorization to produce Customized Postage products, a Special Service approved by the Postal Regulatory Commission. Customized Postage products are provided through authorized Postage Evidencing System manufacturer-distributors or through companies affiliated with authorized Postage Evidencing System manufacturer-distributors and approved by the Postal Service. During the development of this service, the requirements for authorization to produce Customized Postage products have been described in **Federal Register** notices and in individual approval letters issued to providers. These amendments would give regulatory form to the existing requirements for authorization to produce Customized Postage products, and incorporate procedures for the protection of Postal Service business interests.

DATES: Comments must be received on or before February 6, 2017.

ADDRESSES: Mail or deliver written comments to the Manager, Payment Technology, U.S. Postal Service®, 475 L'Enfant Plaza SW., Room 3500, Washington, DC 20260. You may inspect and photocopy all written comments at the Payment Technology office by appointment only between the hours of 9 a.m. and 4 p.m., Monday through Friday by calling 1-202-268-7613 in advance. Email and faxed comments are not accepted.

FOR FURTHER INFORMATION CONTACT: Christy Noel, Legal Policy & Legislative Advice, U.S. Postal Service, (202) 268-3484.

SUPPLEMENTARY INFORMATION: The Postal Reorganization Act authorizes the Postal Service to provide such evidence of postage payment "as may be necessary or desirable." 39 U.S.C. 404(a)(4). The Postal Service exercises this authority through 39 CFR part 501, which protects postal revenues by regulation of manufacturer-distributors of Postage Evidencing Systems. Customized Postage products were developed through market tests allowing Authorized Postage Evidencing System providers to combine evidence of prepayment of postage with a customer-selected or customer-provided graphic image for printing and fulfillment. *See*, 70 FR 21821 (April 27, 2005); 71 FR 12718 (March 13, 2006). Subsequently, Customized Postage products were approved as a Special Service by the Postal Regulatory Commission. *See*, 75 FR 11452, 11459 (March 11, 2010). These proposed amendments to 39 CFR 501 would create standardized definitions, requirements, and procedures applicable to the authorization to provide Customized Postage products, and incorporate protections for the Postal Service's legal, financial, or brand interests. Existing providers of Customized Postage products would be able to continue provision of Customized Postage products for the remainder of the product year in accordance with these revisions upon their effective date, and subject to any requirements set forth in individual authorization letters. Alternatively, existing providers would be able to discontinue provision of Customized Postage products and request a refund from the Postal Service of their annual fee, pro-rated for the remainder of the product year.

Except in cases of willful violation, the provider shall be given an opportunity to correct deficiencies and achieve compliance within a time limit corresponding to the potential risk to Postal Service business interests.

■ 6. Add § 501.21 to read as follows:

§ 501.21 Customized Postage Products.
