

(6) If unusual circumstances apply and more than 5000 pages are necessary to respond to the request, HUD may charge search fees or, for requesters that are educational or noncommercial scientific institutions or representatives of the news media requesting records not sought for commercial use, duplication fees, if timely written notice has been made to the requester pursuant to requirements provided in § 15.103(c) and HUD has discussed with the requester through written mail, electronic mail, or telephone (or made not less than 3 good-faith attempts to do so) how the requester could effectively limit the scope of the request as stipulated in § 15.103(c).

(7)(i) If a court has determined that exceptional circumstances exist, a failure to comply with any time limit as described in § 15.103 shall be excused for the length of time provided by the court order.

(ii) For purposes of this section, the term “exceptional circumstances” does not include a delay that results from a predictable workload of requests, unless HUD demonstrates reasonable progress in reducing its backlog of pending requests. However, refusal by the requester to reasonably modify the scope of a request or arrange an alternative time frame for processing a request (or a modified request) after HUD gives them an opportunity to do so shall be considered a factor in determining whether exceptional circumstances exist.

■ 7. Amend § 15.107 as follows:

- a. Remove paragraph (b);
- b. Redesignate the introductory text as new paragraph (b);
- c. Revise paragraph (a);
- d. Redesignate paragraphs (c) through (i) as (b)(1) through (b)(9), respectively, and
- e. Revise redesignated paragraph (b)(5);

Revisions and addition to read as follows:

§ 15.107 Documents generally protected from disclosure.

(a) HUD shall withhold information only if HUD reasonably foresees that disclosure would harm an interest protected by an exemption as provided in paragraph (b) of this section, or disclosure is prohibited by law. HUD will consider whether partial disclosure of information is possible whenever HUD determines that a full disclosure of a requested record is not possible, and will take reasonable steps necessary to segregate and release nonexempt information. Nothing in this section requires disclosure of information that

is otherwise prohibited from disclosure by law, or otherwise exempted from disclosure as provided in paragraph (b)(3) of this section.

(5) *Certain interagency or intra-agency communications.* Exemption 5 (5 U.S.C. 552(b)(5)) protects interagency or intra-agency communications that are protected by legal privileges, such as the attorney-client privilege, attorney work-product privilege, or communications reflecting the agency’s deliberative process. The deliberative process privilege shall not apply to records created 25 years or more before the date on which the records were requested.

Certifications and Exemptions Under the International Regulations for Preventing Collisions at Sea, 1972

AGENCY: Department of the Navy, DoD.

ACTION: Final rule.

SUMMARY: The Department of the Navy (DoN) is amending its certifications and exemptions under the International Regulations for Preventing Collisions at Sea, 1972 (72 COLREGS), to reflect that the Deputy Assistant Judge Advocate General (DAJAG) (Admiralty and Maritime Law) has determined that USS OMAHA (LCS 12) is a vessel of the Navy which, due to its special construction and purpose, cannot fully comply with certain provisions of the 72 COLREGS without interfering with its special function as a naval ship. The intended effect of this rule is to warn mariners in waters where 72 COLREGS apply.

DATES: This rule is effective January 12, 2017 and is applicable beginning December 12, 2016.
