

competition for the reasons explained herein.

The Exchange's proposal does not place on undue burden on inter-market competition because the QCC order type is similar on other options exchanges and these exchanges may also file to eliminate the distinction between Priority Customers and Professionals for the QCC order type.³⁵ The Exchange notes that the Commission recently approved a similar proposal by Phlx to eliminate both its QCC transactions fees and its rebates for its professional customers.³⁶

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270-664, OMB Control No. 3235-0740]

Proposed Collection; Comment Request

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of Investor Education and Advocacy, Washington, DC 20549-0213.

Revision:

Joint Standards for Assessing the Diversity Policies and Practices of Entities Regulated by the Agencies.

ACTION: Notice.

SUMMARY: The SEC, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on a revised information collection, as required by the PRA. The SEC may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless it displays a currently valid OMB control number. The SEC previously received OMB approval for a voluntary information collection in the Joint Standards. The SEC now is soliciting comments on a revised information collection which adds a Diversity Assessment Report as an instrument to facilitate completion of the self-assessment described in the Joint Standards.

DATES: Comments must be submitted on or before March 27, 2017.

ADDRESSES: Please direct your written comments to Pamela Dyson, Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 100 F Street NE., Washington, DC 20549, or send an email to PRA-Mailbox@sec.gov, and include "SEC File No. 270-664—OMWI Diversity Assessment Report" in the subject line of the message.

FOR FURTHER INFORMATION CONTACT: For further information about the information collection discussed in this revised notice, please contact Pamela A. Gibbs, Director, Office of Minority and Women Inclusion, (202) 551-6046, or Audrey B. Little, Senior Counsel, Office of Minority and Women Inclusion, (202) 551-6086, Securities and Exchange Commission, 100 F Street NE., Washington, DC 20549.

SUPPLEMENTARY INFORMATION: Under the PRA (44 U.S.C. 3501-3520), certain Federal agencies must obtain approval from OMB for each collection of information that they conduct or sponsor. "Collection of information" is defined in 44 U.S.C. 3502(3) (and 5 CFR 1320.3(c) of the PRA implementing regulations) to include agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. The PRA (44 U.S.C. 3506(c)(2)(A)) directs these Federal agencies to provide a 60-day notice in the **Federal Register** concerning each proposed collection of information before submitting the collection to OMB for approval. To comply with this requirement, the SEC

is publishing this notice of a proposed revision to the previously approved collection of information.

Description: The SEC previously received OMB approval for a voluntary information collection with respect to the Joint Standards, pursuant to which entities regulated by the SEC voluntarily self-assess their diversity policies and practices.¹ This proposed revision to the previously approved collection would add a form entitled “Diversity Assessment Report for Entities Regulated by the SEC” (Diversity Assessment Report) to assist with collection of information regarding regulated entities’ policies and practices relating to diversity and inclusion. The Diversity Assessment Report (1) asks for general information about a respondent; (2) includes a checklist and questions relating to the standards set forth in the Joint Standards; (3) seeks data related to workforce diversity and supplier diversity; and (4) provides an opportunity for comments. The SEC estimates that use of the Diversity Assessment Report would reduce the average response time for this collection per respondent from 12 hours to 10 hours. A draft of this Diversity Assessment Report can be viewed at <https://www.sec.gov/omwi/sec-entity-diversity-assessment-report-draft.pdf>.

The SEC may use the information submitted by the entities it regulates to monitor progress and trends in the financial services industry with regard to diversity and inclusion in employment and contracting activities and to identify and highlight those policies and practices that have been successful. The SEC will continue to reach out to the regulated entities and other interested parties to discuss diversity and inclusion in the financial services industry and share leading practices. The SEC may also publish information disclosed by the entity, such as any identified leading practices, in any form that does not identify a particular institution or disclose confidential business information. The SEC will *not* publish diversity and inclusion information that identifies any particular regulated entity unless the regulated entity consents in writing to such use.

Type of Review: Revision.

Frequency of Response: Annually.

Burden Estimates:

Revised Number of Respondents: 1,300.²

Revised Annual Burden Per Respondent for the Diversity Assessment Report and Joint Standards: 10 hours.

Revised Total Annual Burden: 13,000 hours.

Obligation to Respond: Voluntary.

Request for Comments: The comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the SEC, including whether the information has practical utility;

(b) The accuracy of the SEC’s estimate of the information collection burden, including the validity of the methods and the assumptions used;

(c) Ways to enhance the quality, utility, and clarity of the information proposed to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Dated: January 18, 2017.

Eduardo A. Aleman,

Assistant Secretary.
