Foreign-Trade Zones Board

[B–007–2017]

Foreign-Trade Zone (FTZ) 29—Shelbyville, Kentucky, Notification of Proposed Production Activity, Amcor Flexibles L.L.C., (Flexible Packaging Production, Warehousing, and Distribution), Shelbyville, Kentucky

The Louisville and Jefferson County Riverport Authority, grantee of FTZ 29, submitted a notification of proposed production activity to the FTZ Board on behalf of Amcor Flexibles L.L.C. (Amcor), located in Shelbyville, Kentucky. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on January 11, 2017.

A separate application for subzone designation at the Amcor facility was submitted and will be processed under Section 400.31 of the Board's regulations. The facility will be used to produce, warehouse, and distribute flexible packaging used in pharma, food, home, and personal care products. Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products described in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Amcor from customs duty payments on the foreign-status components used in export production. On its domestic sales, Amcor would be able to choose the duty rates during customs entry procedures that apply to: Printed and non-printed, non-laminated aluminum foil packaging (duty rate 3.0%); printed, laminated aluminum foil packaging (duty rate 3.7%); non-printed aluminum foil laminated packaging (duty rate 0.0%); aluminum/plastic packaging (duty rate 4.2%); aluminum/plastic pouches (duty rate 4.2%); aluminum/plastic tear strip (duty rate 4.2%); and, aluminum foil (not laminated) (duty rate 3.0%) for the foreign-status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.

The components and materials sourced from abroad include polyvinyl chloride film, nylon film, aluminum foil, aluminum/plastic tear strip, and aluminum foil (not laminated) (duty rate ranges from 3.0% to 5.8%).

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The

closing period for their receipt is March 7, 2017.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the “Reading Room” section of the Board's Web site, which is accessible via www.trade.gov/ftz.

Foreign-Trade Zone 157—Casper, Wyoming; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by the Casper/Natrona County International Airport, grantee of FTZ 157, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR Sec. 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new subzones or “usage-driven” FTZ sites for operators/users located within a grantee's “service area” in the context of the FTZ Board's standard 2,000-acre activation limit for a zone. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on January 17, 2017.

FTZ 157 was approved by the FTZ Board on January 19, 1989 (Board Order 426, 54 FR 5532, February 3, 1989) and expanded on September 3, 2010 (Board Order 1707, 75 FR 56987–56988, September 17, 2010).

The current zone includes the following sites: *Site 1* (492 acres)—Casper/Natrona County International Airport, 8500 Airport Parkway, Casper; and, *Site 2* (984 acres)—Casper Logistics Hub, 6 Mile Road and Morgan Street, Casper.

The grantee's proposed service area under the ASF would be a portion of Natrona County, Wyoming, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The application indicates that the proposed service area is within and adjacent to the Casper, Wyoming U.S. Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone to include both of the existing sites as "magnet" sites. The ASF allows for the possible exemption of one magnet site from the "sunset" time limits that generally apply to sites under the ASF, and the applicant proposes that Site 1 be so exempted. No subzones/usage-driven sites are being requested at this time.

In accordance with the FTZ Board's regulations, Christopher Kemp of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is March 27, 2017. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 11, 2017.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the FTZ Board's Web site, which is accessible via www.trade.gov/ftz. For further information, contact Christopher Kemp at Christopher.Kemp@trade.gov or (202) 482-0862.
