Certain New Pneumatic Off-the-Road Tires From India: Affirmative Amended Final Determination of Sales at Less Than Fair Value and Final Negative Determination of Critical Circumstances

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (Department) is amending its final negative determination of sales at less-than-fair-value (LTFV) with respect to certain new pneumatic off-the-road tires (OTR tires) from India to correct ministerial errors in the calculation of the weighted-average dumping margin of Alliance Tires Private Limited (ATC), one of the mandatory respondents in the investigation. Correction of these errors results in a revised margin for ATC that is above *de minimis*, and, thus, also results in an affirmative determination of sales at LTFV. The Department is also assigning a new "All-Others" rate.

DATES: Effective February 2, 2017.
