Abstract of Proposed Collection

Annual reports from designated program sponsors assist the Department in oversight and administration of the J-NONIMMIGRANT visa program. The reports provide qualitative data on the number of exchange participants an organization sponsored annually per category of exchange. The reports also provide a summary of the activities in which exchange visitors were engaged and indicate information about program effectiveness. Program sponsors include government agencies, academic institutions, and private sector not-for-profit and for-profit entities. Annual reports are completed through the Student and Exchange Visitor Information System (SEVIS) and then printed and signed by a sponsor official, and sent to the Department by email or postal mail.

Acting Deputy Assistant Secretary for Private Sector Exchange, Bureau of Educational and Cultural Affairs, U.S. Department of State.
