A. Overview of Information Collection

Title of Information Collection: Condominium Project Approval Document Collection.

OMB Approval Number: 2502–0610.

Type of Request: Revision of current collection.

Form Number: HUD–92541; HUD–935.2c; HUD 93201; and HUD–92544.

Description of the need for the information and proposed use:

The Housing and Economic Recovery Act of 2008 (HERA) moved the insurance of a single unit condominium from Section 234 to Section 203 of the National Housing Act (NHA). This

change required that HUD establish new regulations for condominium project and unit approval. To approve a project and/or insure a unit within an FHA-approved project, certain documentation and data are required for review and approval or denial. Therefore, requiring a specific collection item is appropriate. Further, the information collected will be used for performance, risk, market trending, and other analyses.

Respondents (i.e., affected public): Mortgagees, Condominium Associations, Builders, Developers, Attorneys, Management Companies, Project Consultants.

Estimated Number of Respondents: 10,000.

Estimated Number of Responses: 10,000.

Frequency of Response: Biennially.

Average Hours per Response: 3.

Total Estimated Burdens: \$3,173,000.

HUD encourages interested parties to submit comment in response to these questions.
