INTERNATIONAL TRADE COMMISSION

[Investigation Nos. 701-TA-563 and 731-TA-1331-1333 (Final)]

Finished Carbon Steel Flanges From India, Italy and Spain; Scheduling of the Final Phase of Countervailing Duty and Antidumping Duty Investigations

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of the final phase of antidumping and countervailing duty investigation Nos. 701-TA-563 and 731-TA-1331-1333 (Final) pursuant to the Tariff Act of 1930 (“the Act”) to determine whether an industry in the United States is materially injured or threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports of finished carbon steel flanges from India, Italy, and Spain, provided for in subheading 7307.91 of the Harmonized Tariff Schedule of the United States, preliminarily determined by the Department of Commerce to be subsidized by the government of India and sold at less-than-fair-value.¹

DATES: Effective February 8, 2017.

Drew Dushkes (202-205-3229), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission’s TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>).

¹ For purposes of these investigations, the Department of Commerce has defined the subject merchandise as finished carbon steel flanges. Finished carbon steel flanges differ from unfinished carbon steel flanges (also known as carbon steel flange forgings) in that they have undergone further processing after forging, including, but not limited to, beveling, bore threading, center or step boring, face machining, taper boring, machining ends or surfaces, drilling bolt holes, and/or deburring or shot blasting. Any one of these post-forging processes suffices to render the forging into a finished carbon steel flange for purposes of this investigation. However, mere heat treatment of a carbon steel flange forging (without any other further processing after forging) does not render the forging into a finished carbon steel flange for purposes of this investigation. For a full description of the scope of these investigations, see 82 FR 9711, 9719, and 9723, February 8, 2017.

SUPPLEMENTARY INFORMATION:

Background.—The final phase of these investigations is being scheduled pursuant to sections 705(b) and 731(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b) and 1673d(b)), as a result of affirmative preliminary determinations by the Department of Commerce that certain benefits which constitute subsidies within the meaning of section 703 of the Act (19 U.S.C. 1671b) are being provided to manufacturers, producers, or exporters in India, Italy and Spain of finished carbon steel flanges, and that such products are being sold in the United States at less than fair value within the meaning of section 733 of the Act (19 U.S.C. 1673b). The investigations were requested in petitions filed on June 30, 2016, by Weldbend Corporation, Argo, Illinois and Boltex Mfg. Co., L.P., Houston, Texas.

For further information concerning the conduct of this phase of the investigations, hearing procedures, and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A and C (19 CFR part 207).

Participation in the investigations and public service list.—Persons, including industrial users of the subject merchandise and, if the merchandise is sold at the retail level, representative consumer organizations, wishing to participate in the final phase of these investigations as parties must file an entry of appearance with the Secretary to the Commission, as provided in section 201.11 of the Commission’s rules, no later than 21 days prior to the hearing date specified in this notice. A party that filed a notice of appearance during the preliminary phase of the investigations need not file an additional notice of appearance during this final phase. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the investigations.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.—Pursuant to section 207.7(a) of the Commission’s rules, the Secretary will make BPI gathered in the final phase of these investigations available to authorized applicants under the APO issued in the investigations, provided that the application is made no later than 21

days prior to the hearing date specified in this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the investigations. A party granted access to BPI in the preliminary phase of the investigations need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report.—The prehearing staff report in the final phase of these investigations will be placed in the nonpublic record on April 11, 2017, and a public version will be issued thereafter, pursuant to section 207.22 of the Commission's rules.

Hearing.—The Commission will hold a hearing in connection with the final phase of these investigations beginning at 9:30 a.m. on Tuesday, April 25, 2017, at the U.S. International Trade Commission Building. Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before April 19, 2017. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should participate in a prehearing conference to be held on April 24, 2017, at the U.S. International Trade Commission Building, if deemed necessary. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), and 207.24 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony *in camera* no later than 7 business days prior to the date of the hearing.

Written submissions.—Each party who is an interested party shall submit a prehearing brief to the Commission. Prehearing briefs must conform with the provisions of section 207.23 of the Commission's rules; the deadline for filing is April 18, 2017. Parties may also file written testimony in connection with their presentation at the hearing, as provided in section 207.24 of the Commission's rules, and posthearing briefs, which must conform with the provisions of section 207.25 of the Commission's rules. The deadline for filing posthearing briefs is May 1, 2017. In addition, any person who has not entered an appearance as a party to the investigations may submit a written statement of information pertinent to the subject of the investigations, including statements of support or opposition to the petition, on or before May 1, 2017. On May 16, 2017, the

Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before May 18, 2017, but such final comments must not contain new factual information and must otherwise comply with section 207.30 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on E-Filing*, available on the Commission's Web site at <https://edis.usitc.gov>, elaborates upon the Commission's rules with respect to electronic filing.

Additional written submissions to the Commission, including requests pursuant to section 201.12 of the Commission's rules, shall not be accepted unless good cause is shown for accepting such submissions, or unless the submission is pursuant to a specific request by a Commissioner or Commission staff.

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.21 of the Commission's rules.

By order of the Commission.

Issued: February 13, 2017.

Lisa R. Barton,

Secretary to the Commission.

DEPARTMENT OF JUSTICE

Drug Enforcement Administration

Lee B. Drake, M.D. Decision and Order

On December 5, 2016, the Assistant Administrator, Diversion Control Division, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Lee B. Drake, M.D. (Registrant), of Hattiesburg, Mississippi. The Show Cause Order proposed the revocation of Registrant's DEA Certificate of Registration, on the ground that he does not hold authority to

dispense controlled substances in Mississippi, the State in which he is registered with the Agency. Show Cause Order, at 1 (citing 21 U.S.C. 824(a)(3)).

As to the Agency's jurisdiction, the Show Cause Order alleged that Registrant is registered with DEA as a practitioner with authority to dispense controlled substances in schedules II through V under Registration No. BD3577965, at the registered address of 6524 U.S. Highway 98, Hattiesburg, Mississippi. *Id.* The Order also alleged that Registrant's registration does not expire until June 30, 2017. *Id.*

The Show Cause Order then alleged that on July 8, 2016, Registrant surrendered his authority "to prescribe and administer controlled substances in . . . Mississippi" and that he is "without authority to [dispense] controlled substances in" the State. *Id.* The Order asserted that as a consequence of the loss of his state authority, "DEA must revoke" his registration. *Id.* (citing 21 U.S.C. 802(21), 823(f) and 824(a)(3)).

The Show Cause Order notified Registrant of his right to request a hearing on the allegations, or to submit a written statement in lieu of a hearing, the procedure for electing either option, and the consequence for failing to do either. *Id.* at 2 (citing 21 CFR 1301.43). The Order also notified Registrant of his right to submit a corrective action plan. *Id.* at 2-3 (citing 21 U.S.C. 824(c)(2)(C)).

On December 7, 2016, a Diversion Investigator (DI) with the DEA Jackson, Mississippi District Office accomplished service by hand-delivery of the Show Cause Order to Registrant. *See* GX 2, at 2 (DI's Declaration).

On January 10, 2017, the Government forwarded to my Office its Request for Final Agency Action (cited as RFFA) along with an evidentiary record. In its Request, the Government represents that since the date of service of the Show Cause Order, it "has not received a request for hearing or any other reply from" Registrant. RFFA, at 1-2. Based on the Government's representation and the DI's declaration, I find that more than 30 days have passed since the date of service of the Show Cause Order and that neither Registrant, nor anyone purporting to represent him, has requested a hearing or submitted a written statement while waiving his right to a hearing. I therefore find that Registrant has waived his right to a hearing or to submit a written statement in lieu of hearing, and issue this Decision and Order based on relevant evidence contained in the record submitted by the Government. 21 CFR 1301.43(d) & (e). I make the following findings of fact.
